

And When Nobody Wakes You Up In The Morning

Craig F. Harrison

Psychology of the Extreme Arie W. Kruglanski, Sophia Moskalenko, 2025-02-26 What does extremism mean? How does it show up in our daily lives? What drives people to extreme behaviors, and how can we learn to live and thrive in the age of overdrive? The Psychology of the Extreme provides an accessible introduction to extremism as a force that can affect all aspects of culture and people's choices in everyday settings. It explores the underlying psychology behind what makes people act in extreme ways, whether this is in destructive ways (such as gambling, terrorism and political violence) or in constructive ways (such as successful creators and scientists). The book features an array of case studies that show how extremism can be both pro-social and anti-social and includes interventions to reduce extremism or redirect them toward more positive and constructive tendencies. Offering a new understanding of the individual psychology of extremism, the book will appeal to all those interested in how extremism plays out in people's and cultures' day-to-day lives.

LOST SOULS Adrian Gabriel Dumitru, Being lost ... seen as an addiction ... I couldn't find myself. ... by a long, long time. I was trying to find something ... which could help me heal my soul ... but most certainly it was not going to be an easy process. I needed ... therapy. But ... of course ... i could not accept something like that. I was already writing by few years. ... doing it as self therapy. And ... still I was feeling i needed more than that. I didn't knew what ... but i knew that the right experience will be revealed to me. Sooner or later. But ... one day ... i've heard that the war started. Lots of refugees ... were coming to my country. ... and my city. I don't know ... what really convinced me to do it ... but i jump into the car ... go to the bus station where the refugees were coming ... and i meet with a lady with 3 kids. I smile ... and convince her to come at me ... with her 3 kids. A lady policewoman ... came to me asking lots of questions. ... finding it weird ... that i take this lady with me. But ... into the end ... i help her with the baggages ... and we drive to the first house which i prepared for this new story of my life. In those moments ... i didn't realised what was going to happen to me. ... especially into the near future. Fortunately ... a weird inner force was guiding me ... into the whole process. So ... a lost soul ... was inviting lost souls ... to his home. That was only the start. Later on ... new and new refugees were coming to me. I was just going to the train station ... and connecting with the volunteers ... i was immediately taking another 3-4-5 people to my home. In the night ... before going to sleep ... meditating ... the same question appeared into my mind ... How the hell ... you Adrian ... are inviting those

refugees to your homes?! You're the most weird soul ... i've ever saw during this life time... and now you try to be a saviour ... for all those people ... which were running away of war?! But ... i was smiling. I've already accepted my status ... of lost soul. I was not denying it anymore. I found it ... normal to accept it. And of course same as people addicted to drugs stay together, or the people addicted to alcohol prefers the alcoholics ... a lost soul ... as myself ... had to experience life ... in the company of other lost souls. But ... it was all karmic. Yes ... karmic experiences. For me ... and for all the ones that were visiting me. I guess ... all was normal. I was attracting ... souls as myself. All being ... my weird reflections. So ... a new chapter of my life started. A ... weird one. But ... extremely interesting. Revealing in fact ... that being lost ... was actually ... an unexplainable addiction ... having probably the purpose to reveal me ... while connecting with all those people following pathless path ... the secrets beyond the human being. And ... it all proved to be a story with many chapters ... and also many, many episodes. ... whispering me ... abstract messages. In continuous form.

Coffee with Jesus Craig F. Harrison,2024-10-08 In 2019, the author experienced a deep and dark night of the soul. In that darkness, he felt abandoned by God. Coffee with Jesus emerged at a 3:00 a.m. encounter with God. It was during the pain, abandonment, and betrayal that the author moved from a religious relationship with Jesus to a deep personal journey of healing and growth.

The Billionaire Captive Bride Harheesha,2025-08-31 You will marry me! You will be my contract wife! He declared his voice cold and threatening. Ophelia looked at him without averting her gaze. He wasn't demanding that she marry him; he was commanding her to. Marry you! Is that a request or a command? She asserted bravely, not minding whatever was coming her way. She expected Something worse to follow, but she was startled by his reaction instead. He walked closer to her and slowly raised her chin with the tip of his finger. Ha..ha..ha, I like smart girls, he enunciates with a devilish smile. It's a command, and you must abide by it. He pauses and moves his Lips Closer to her ear. Ophelia quickly closes her eyes, bracing herself for the impact. Or else..... He whispered slowly. Then everything paused. She couldn't feel his breath on her skin again and she quickly opened her eyes only to find out she was the only person in the room. It's like he disappeared into thin air. ***** She heaved a sigh of relief as her eyes became blurred with unshed tears. She just found a wallet on the road hoping it would change her life for the better not knowing it's actually for the worse. She is trapped! She is Captivated! And now she is going to be a Captivated Contract bride she can't deny nor can she accept. One choice. One contract. One dangerous game. Will Ophelia run for her life, or fight for his love? Or will she lose herself in a world of luxury, lies, and power where freedom comes with a price?

The Animus of Identity: Shame Lee Baglin,2023-08-18 What are you? Who are you? What is it that makes you, you? Why are you? Explore with me as I use my own experiences, along with those of others I have met along my journey, the

concept of identity, and how your trauma and circumstances can shape the person you become.

Up From Here Iyanla Vanzant, 2003-06-03 For men — and the women who love them — a guide to transformation and true power The world needs your light. The world needs your life. Every woman and child needs you also. Few men are taught the true spiritual essence of masculinity. In Up from Here Iyanla Vanzant empowers men with the insight and skills they need to identify, name, and understand their feelings, as well as to overcome the old patterns of behavior that result from misusing or not tapping into their emotional strength. In clear terms Vanzant shows men how to use the energy of emotions to move beyond painful, negative feelings such as rage, shame, fear, and anger to authenticity and strength. Like the phoenix, you can rise up from here, out of the ashes of the crash and burn of the past, to claim your true identity and power. By using Vanzant's power tools men can transform their frustrations and failures in love, life, and work into opportunities to claim their true potential and purpose.
