Dr Purushothaman

A Year with Anthony De Mello Anthony De Mello,2022-12-06 Release your true inner self, shed society's expectations and programming, and regain your equilibrium with A Year with Anthony De Mello. This week-by-week workbook is filled with fifty-two passages and stories of De Mello's echoing wisdom, inspiring quotes from a variety of influential world-famous people, and thought-provoking journal prompts. We have all been programmed to seek happiness outside of ourselves—seized through great effort from an unpredictable world—and then to become upset and self-condemning when our effort fails to realize its promise of fulfillment, which it always fails to do. This is not to say that success isn't a reasonable pursuit, but it cannot give us happiness. Nothing of the world can. Why? Because we have it already. The happiness, peace, and love that defines fulfillment are already yours, encoded in your spiritual DNA. They are not earned or acquired. They live in you as you to be expressed through you. The only effort needed is really no effort at all; it's a matter of coming home to yourself. A Year with Anthony De Mello is a week-by-week workshop of fifty-two passages from De Mello, each followed by a favorite parable or koan Anthony admired to illuminate the passage, and two simple but engaging exercises to actualize the week's teaching. There are also blank pages for journaling about your insights during the week.`

The Mysticism of Rāmānuja Cyril Veliath,1993 Description: Ramanuja is largely viewed as a philosopher and thinker of supreme merit. However in this present work, The Mysticism of Ramanuja, the author has attempted to present him in a new perspective, i.e., as a mystic and saint. This has been achieved by examining his many writings and detailing his innermost encounters with the Supreme Brahman. This work is a culmination of ten years research and author has based this study on the works of eminent Indologists like Karmarkar, Thibaut and Van Buitenen, as well as world renowned scholars in mysticism as Rudolph Otto, Evelyn Underhill and William Johnston. It also includes a comparative study of the teachings of Ramanuja with those of Christianity, something which has rarely been attempted earlier.

The Way to Love Anthony De Mello,1995-06-01 From the international bestselling author of Awareness, a pocket-sized guide that will bring you to new levels of spiritual awareness. The Way To Love contains the final flowering of Anthony de Mello's thought, and in it he grapples with the ultimate question of love. In thirty-one meditations, he implores his readers with his usual pithiness to break through illusion, the great obstacle to love. Love springs from awareness, de Mello insists, saying that it is only when we see others as they are that we can begin to really love. But not only must we seek to see others with clarity, we must examine ourselves without misconception. The task, however, is not easy. The most painful act, de Mello says, is the act of seeing. But in that act of seeing that love is born. Anthony De Mello was the director of the Sadhana

Institute of Pastoral Counseling in Poona, India, and authored several books. *The Way To Love* is his last.

One Minute Wisdom Anthony De Mello, 2012-10-03 Through profound spiritual insights and his unique approach to the inner life, internationally acclaimed author Anthony de Mello points the way toward new levels of contemplation, happiness, love, wisdom, and enlightenment. In more than two hundred parables and lessons about living life fully yet simply, de Mello gives examples filled with wisdom that cannot be conveyed in regular direct discourse. Rooted in the spirit of the Gospel and spanning the mystical traditions of East and West, this invigorating volume -- like all the author's previous books -- is intended to enliven our faith and free us from whatever imprisons our mind, body, and soul. *One Minute Wisdom* will lead from sense to sensitivity, from mood to meaning, from thought to feeling. And as de Mello writes, Wisdom can come without the slightest effort—in the time it takes to open your eyes. Wherever your spiritual belief may lie—or even if you have no beliefs at all—you will find in these pages needed and helpful direction on continuing the process of self-discovering and on finding the satisfying riches that lie deep within you.

Awareness Anthony De Mello, 2011-08-31 “Wisdom from one of the greatest spiritual masters of our time.”—James Martin, SJ, author of *Jesus: A Pilgrimage* The heart of Anthony de Mello's bestselling spiritual message is awareness. Mixing Christian spirituality, Buddhist parables, Hindu breathing exercises, and psychological insight, de Mello's words of hope come together in *Awareness* in a grand synthesis. In short chapters for reading in quiet moments at home or at the office, he cajoles and challenges: We must leave this go-go-go world of illusion and become aware. And this only happens, he insists, by becoming alive to the needs and potential of others, whether at home or in the workplace. Here, then, is a masterful book of the spirit, challenging us to wake up in every aspect of our lives.
