Inspirational Quotes on Art and Life Up Yours Innit! Francis Rubbra, 2018-06-18 This book is several books rolled into one. It is primarily an inspirational book of art maxims, full of calls-to-action, but also a book that bears witness to the inner tension that conditions life lived at creativity's behest. The artist's life is built on the quicksand of self-belief, and by necessity, inner peace is a distant thing, a thing of the horizon. Mr Innit and his alter ego are an illustration of an artist's internal conversation. They are a marriage that can turn, in an instant, the artist to madness or to glory. Mr Innit's plain dealing and deficient articulation is a simple mask, concealing an observant, alert, and sensitive mind, one locked in a permanent struggle with the poetic discourse of his alter ego, using the weaponry of mordacity, in the search for truth, however ambiguous and fleeting. Mr Innit is a 'rough diamond'. He is the essential 'rebellious' us, a safety stop, for when vanity and elitism climb moralities ladder, and to mediate when the need for acceptance distorts and suffocates the possibility of true discovery. It is a book about redemption. An inspirational art quote book about life, art and being an artist. A gift book for arty people with a sense of humour, art lovers and anyone wishing to learn about art. An informative backbone of straightforward, practical advice, opaquely enigmatic thoughts (some absurd and others comically arrogant), and pithy inspirational observations on the meaning of life are disarmed by the cheeky backchat of an ex-con. This book is all of the following: An Inspirational gift book A self-help book A funny quote book A book of quotes and sayings funny quotes, gifts for painters, learn to draw, famous artist quotes Over 340 art quotes including twelve 'thou art' commandments (calls to action), will definitely inspire the reader. This book is many books rolled into one. The perfect gift book, an art education book, and an inspirational quote book! An original approach to art learning. It will leave the reader amused and enriched by insightful snippets on art technique and the artist's thinking processes.

Artist Lucas Smith,2017-03 Most Successful artists of all Time Art is one of the only four ways in which a human being can have an unmediated experience with those essential things that are beyond description in words. These things include love and faith and hope, which are among the most critical and meaningful aspects of the human experience, but are totally incapable of being fully expressed in words. Art in all its forms, is the universal language. It is the great equalizer and thinking agent. Art reaches across borders and connects the world. Great Art stirs the imagination, causing us to pause, think and reflect. Art allows our minds to escape into childlike wonder. Paintings are windows to the imagination. These are the most successful and creative artists of all times. Pablo Picasso: Art is the lie that enables us to realize the truth. Vincent Van Gogh: Paintings have a life of their own that derives from the painter's soul. Leonardo da Vinci: Art is never finished, only abandoned. Claude Monet: No one is an artist unless he carries his picture in his head before painting it, and is sure of his

method and composition. Michelangelo: The true work of art is but a shadow of the divine perfection. Jackson Pollock: I have no fear of making changes, destroying the image, etc., because the painting has a life of its own. Salvador Dali: Have no fear of perfection - you'll never reach it. Edvard Munch: The colors live a remarkable life of their own after they have been applied to the canvas. Paul Cezanne: Art is a harmony parallel with nature. Gustav Klimt: All art is erotic. How will this book help you? Artists truly are the movers and shakers of the world. The ages demonstrate that artists have been at the forefront of every epic era.
