Blue Moon? ,2008 Many years ago my friend, Charlotte Murray, and I came up with the idea for an artist book called 'Once in a Blue Moon'. We both took some photos, and I was to write the text. In the end, she finished an elegant little book of photographs entitled 'Once' while I continued to feel that I had something to add, but wasn't quite sure what it was until this companion piece occurred to me. I guess we can both move on to other projects now--Colophon.
