

About Bill Clinton

Joeming Dunn

My Life Bill Clinton, 2004-06-22 President Bill Clinton's *My Life* is the strikingly candid portrait of a global leader who decided early in life to devote his intellectual and political gifts, and his extraordinary capacity for hard work, to serving the public. It shows us the progress of a remarkable American, who, through his own enormous energies and efforts, made the unlikely journey from Hope, Arkansas, to the White House—a journey fueled by an impassioned interest in the political process which manifested itself at every stage of his life: in college, working as an intern for Senator William Fulbright; at Oxford, becoming part of the Vietnam War protest movement; at Yale Law School, campaigning on the grassroots level for Democratic candidates; back in Arkansas, running for Congress, attorney general, and governor. We see his career shaped by his resolute determination to improve the life of his fellow citizens, an unfaltering commitment to civil rights, and an exceptional understanding of the practicalities of political life. We come to understand the emotional pressures of his youth—born after his father's death; caught in the dysfunctional relationship between his feisty, nurturing mother and his abusive stepfather, whom he never ceased to love and whose name he took; drawn to the brilliant, compelling Hillary Rodham, whom he was determined to marry; passionately devoted, from her infancy, to their daughter, Chelsea, and to the entire experience of fatherhood; slowly and painfully beginning to comprehend how his early denial of pain led him at times into damaging patterns of behavior. President Clinton's book is also the fullest, most concretely detailed, most nuanced account of a presidency ever written—encompassing not only the high points and crises but the way the presidency actually works: the day-to-day bombardment of problems, personalities, conflicts, setbacks, achievements. It is a testament to the positive impact on America and on the world of his work and his ideals. It is the gripping account of a president under concerted and unrelenting assault orchestrated by his enemies on the Far Right, and how he survived and prevailed. It is a treasury of moments caught alive, among them: • The ten-year-old boy watching the national political conventions on his family's new (and first) television set. • The young candidate looking for votes in the Arkansas hills and the local seer who tells him, "Anybody who would campaign at a beer joint in Joiner at midnight on Saturday night deserves to carry one box. . . . You'll win here. But it'll be the only damn place you win in this county." (He was right on both counts.) • The roller-coaster ride of the 1992 campaign. • The extraordinarily frank exchanges with Newt Gingrich and Bob Dole. • The delicate manipulation needed to convince Rabin and Arafat to shake hands for the camera while keeping Arafat from kissing Rabin. •

The cost, both public and private, of the scandal that threatened the presidency. Here is the life of a great national and international figure, revealed with all his talents and contradictions, told openly, directly, in his own completely recognizable voice. A unique book by a unique American.

Public Papers of President William Clinton Bill Clinton, 1997-01

Mi vida / My Life Bill Clinton, 2004-08-10 Un libro excepcional de un americano excepcional. Mi vida, del presidente Clinton, es un impresionante y sorprendentemente honesto retrato de un líder global que decidió cuando era joven que dedicaría sus dotes intelectuales y políticos, y su extraordinaria capacidad para el trabajo duro, al servicio de los ciudadanos. Nos muestra el avance de un americano notable que, gracias a sus enormes energías y su esfuerzo, logró realizar el improbable viaje desde Hope, Arkansas, hasta la Casa Blanca — un trayecto alimentado por su apasionado interés en el proceso político que se manifestó en cada etapa de su vida: en la universidad, trabajando como becario para el senador William Fulbright; en Oxford, cuando formó parte del movimiento de protesta contra la guerra de Vietnam en la facultad de Derecho de Yale, haciendo campaña a nivel de base para los candidatos demócratas; y de nuevo en Arkansas, cuando se presentó candidato al Congreso, a fiscal general y al cargo de gobernador. A lo largo de esta obra, somos testigos de cómo su carrera política se forjó a partir de su decidida voluntad de mejorar la vida de sus conciudadanos, un compromiso firme con el avance de los derechos civiles, y una excepcional capacidad de comprender los detalles prácticos de la vida política. También llegamos a comprender las presiones emocionales a las que se vio sometido en su juventud, desde su nacimiento tras la temprana muerte de su padre, hasta la difícil situación que vivió, atrapado en una relación disfuncional entre su enérgica madre que tanto se preocupó de él, y un padrastro maltratador al que jamás dejó de querer, y cuyo nombre adoptó. Asistimos a la atracción que sintió por la brillante e irresistible Hillary Rodham, con la cual decidió casarse, y a la apasionada devoción, desde su infancia, a su hija Chelsea, así como a toda la experiencia de la paternidad. Y también, cómo lenta y dolorosamente, empieza a comprender que su temprana negación del dolor en ocasiones le arrastró a pautas de conducta dañinas. El libro del presidente Clinton es también la narración más completa, matizada y con más detalles concretos de una presidencia que se ha escrito jamás, abarcando no sólo los momentos más destacados de las crisis sino también la manera en que la presidencia funciona realmente: el bombardeo cotidiano de problemas, personalidades, conflictos, reveses y éxitos. Es un testamento acerca del impacto positivo que su labor y sus ideales tuvieron en Estados Unidos y en todo el mundo. Es el emocionante relato de un presidente sometido a un asalto implacable y concertado, orquestado por sus enemigos de la extrema derecha, así como la historia de cómo sobrevivió y terminó por prevalecer sobre todo ello. Estamos ante un tesoro de momentos capturados en toda su vivacidad, entre ellos:

- El niño de diez años contemplando las convenciones políticas nacionales en el nuevo (y primer) aparato de televisión familiar.
- La montaña rusa que fue la campaña de 1992.
- Las conversaciones extraordinariamente francas con Newt Gingrich y Bob Dole.
- La delicada

manipulación necesaria para convencer a Rabin y Arafat de que se dieran la mano frente a las cámaras, a la vez que debía evitarse que Arafat besara a Rabin. • El coste, tanto público como privado, del escándalo que amenaza— a la presidencia. Nos hallamos frente a la vida de una destacada figura nacional e internacional, que nos es revelada con todos sus talentos y contradicciones, contada abiertamente, con su voz personal y reconocible. ENGLISH DESCRIPTION #1 New York Times Bestseller President Bill Clinton's *My Life* is the strikingly candid portrait of the 42nd U.S. president, a global leader who decided early in life to devote his intellectual and political gifts, and his extraordinary capacity for hard work, to serving the public. It shows us the progress of a remarkable American, who, through his own enormous energies and efforts, made the unlikely journey from Hope, Arkansas, to the White House—a journey fueled by an impassioned interest in the political process which manifested itself at every stage of his life: in college, working as an intern for Senator William Fulbright; at Oxford, becoming part of the Vietnam War protest movement; at Yale Law School, campaigning on the grassroots level for Democratic candidates; back in Arkansas, running for Congress, attorney general, and governor. We see his career shaped by his resolute determination to improve the life of his fellow citizens, an unfaltering commitment to civil rights, and an exceptional understanding of the practicalities of political life. We come to understand the emotional pressures of his youth—born after his father's death; caught in the dysfunctional relationship between his feisty, nurturing mother and his abusive stepfather, whom he never ceased to love and whose name he took; drawn to the brilliant, compelling Hillary Rodham, whom he was determined to marry; passionately devoted, from her infancy, to their daughter, Chelsea, and to the entire experience of fatherhood; slowly and painfully beginning to comprehend how his early denial of pain led him at times into damaging patterns of behavior. Imagine how you'll be able to offer encouragement and wisdom to your friends and family with the inspirational words in this book! Scroll up to purchase and begin your journey with the powerful words of Bill Clinton motivating, inspiring, and guiding you every day.

The Survivor John F. Harris, 2005-05-31 NEW YORK TIMES BESTSELLER The definitive account of one of the most accomplished, controversial, and polarizing figures in American history Bill Clinton is the most arresting leader of his generation. He transformed American politics, and his eight years as president spawned arguments that continue to resonate. For all that has been written about this singular personality—including Clinton's own massive autobiography—there has been no comprehensive, nonpartisan overview of the Clinton presidency. Few writers are as qualified and equipped to tackle this vast subject as the award-winning veteran Washington Post correspondent John F. Harris, who covered Clinton for six of his eight years in office—as long as any reporter for a major newspaper. In *The Survivor*, Harris frames the historical debate about President William Jefferson Clinton, by revealing the inner workings of the Clinton White House and providing the first objective analysis of Clinton's leadership and its consequences. Harris shows Clinton entering the Oval Office in 1993 primed to make history. But with the Cold War recently concluded and the country coming off a nearly uninterrupted generation of Republican presidents, the new president's entry into this maelstrom of events was tumultuous. His troubles were exacerbated by the habits, personal contacts, and the management style, he had developed in his years as governor of Arkansas. Clinton's enthusiasm and temper were legendary, and he and Hillary Rodham Clinton—whose ambitions and ordeals also fill these pages—arrived filled with mistrust about many of the characters who greeted them in the “permanent Washington” that often holds the reins in the nation's capital. Showing surprising doggedness and a deep-set desire to

govern from the middle, Clinton repeatedly rose to the challenges; eventually winning over (or running over) political adversaries on both sides of the aisle—sometimes facing as much skepticism from fellow Democrats as from his Republican foes. But as Harris shows in his accounts of political debacles such as the attempted overhaul of health care, Clinton's frustrations in the war against terrorism, and the numerous personal controversies that time and again threatened to consume his presidency, Bill Clinton could never manage to outrun his tendency to favor conciliation over clarity, or his own destructive appetites. *The Survivor* is the best kind of history, a book filled with major revelations—the tense dynamic of the Clinton inner circle and Clinton's professional symbiosis with Al Gore to the imprint of Clinton's immense personality on domestic and foreign affairs—as well as the minor details that leaven all great political narratives. This long-awaited synthesis of the dominant themes, events, and personalities of the Clinton years will stand as the authoritative and lasting work on the Clinton Presidency.

Bill Clinton Carol Greene, 1995 Highlights the life and the political career of President Clinton.

Bill Clinton Robert E. Levin, 1992 Exactly who is Bill Clinton? Is he a man who can effectively lead America, or is he a political flash-in-the-pan? Covering all aspects of the numerous controversies surrounding the President, Robert Levin offers a major biography featuring interviews with Clinton's political friends and foes.

Clinton Confidential George Carpozi, 1995 Veteran newspaperman and author George Carpozi holds that Bill Clinton lusted after the presidency at an early age. Every move he made seemed to be part of a cunning strategy to attain his ultimate tenancy of the White House. This is an astonishingly frank analysis of our 42nd president and his wife. Photos.

Bill Clinton Robert Cwiklik, 1997 Chronicles the life of Bill Clinton from his childhood in Arkansas to his governorship of that state and his first term as president of the United States, including highlights from the 1996 presidential campaign.

High Hopes Stanley A. Renshon, 1996-04-01 The Clinton presidency is pivotal, occurring at a particularly sensitive time in American and world history. The Cold War has ended; yet Americans face daunting social and economic problems and are increasingly divided about how to address them. In this perceptive psychological portrait of Clinton and his presidency, expert Stanley Renshon investigates whether Clinton has demonstrated the requisite qualities of judgment, vision, character, and skill to meet the challenges he faces, domestically and internationally, and whether he merits another term. Renshon incisively analyzes Clinton's sweeping ambitions, his enormous confidence in himself and his goals, and his success in convincing people that he genuinely cares about them. He reveals a Bill Clinton whose capacity for political success is often undermined by the very traits for which many praise him. His unusually high self-confidence, for instance, leads him to believe that he can accomplish what others have not, that he can, for instance, reconcile polar opposites such as liberal Democrats and conservative Republicans. Remarkably persistent throughout Clinton's career are certain character traits which have defined him to the public—his tendency to make promises he can't keep, his ability to win people over in person,

his sudden blind rages. Renshon traces the development of Clinton's character from his early family experiences to his highly successful adolescence and long political career. He illustrates how each step along the way--Clinton's inconsistent experiences as an adored but disregarded child, his attempt to avoid the draft and the consequences of doing so, his marriage to Hillary Rodham whose own psychology has both helped and hurt him, and his tenure as governor during which his character first became a political issue--is crucial to understanding his erratic and controversial presidency. Renshon explores the nature of the Clinton marriage as a political partnership and looks at Hillary Clinton as an associate president. High Hopes gives us a new understanding of why a man with so many talents has become a president whose performance has not measured up to his promise.

Bill Clinton A Short Unauthorized Biography Fame Life Bios, 2022-02-18 Bill Clinton: A Short Unauthorized Biography is a short unauthorized biography produced from electronic resources researched that includes significant events and career milestones. Aligned to Common Core Standards and correlated to state standards. Big Buddy Books is an imprint of Abdo Publishing, a division of ABDO.

The Presidency of Bill Clinton Mark White, 2012-05-15 The presidency of Bill Clinton has an intrinsic historical significance: a marker of generational change, as he was the first 'baby boomer' to reach the White House; the first president whose personal life received no less attention than his policies; and the first elected Democrat President to win re-election since Franklin Roosevelt. This book provides wide-ranging coverage of Clinton's career, addressing the salient aspects of Clinton's life in politics: his governorship; the 1992 presidential campaign; the battle for health care reform; his economic policies; the issue of character, including the Monica Lewinsky scandal; his foreign policy - specifically his role in the peace process in Northern Ireland and in authorizing an aerial war in Kosovo; his handling of the issue of gay rights; and his relationship with the Hollywood film industry. Based on the latest research, this volume provides important new perspectives on Clinton's life in politics. It will be essential reading for anyone interested in American History, Politics and International Relations.

Bill Clinton Patrick J. Maney, 2021-04-15 Of the original Gilded Age, historian Richard Hofstadter wrote: “There is no other period in the nation's history when politics seems so completely dwarfed by economic changes, none in which the life of the country rests so completely in the hands of the industrial entrepreneur.” The era of William Jefferson Clinton's ascent to the presidency was strikingly similar—nothing less, Clinton himself said, than “a paradigm shift . . . from the industrial age to an information-technology age, from the Cold War to a global society.” How Bill Clinton met the challenges of this new Gilded Age is the subject of Patrick J. Maney's book: an in-depth perspective on the 42nd president of the United States and the transformative era over which he presided. *Bill Clinton: New Gilded Age President* goes beyond personality and politics to examine the critical issues of the day: economic and fiscal policy, business and financial deregulation, healthcare and welfare reform, and foreign affairs in a post-Cold War world. But at its heart is Bill Clinton in all his guises: the first baby boomer to reach the White House; the “natural”—the most gifted politician of his generation, but one with an inexplicably careless and self-destructive streak; the “Comeback Kid,” repeatedly overcoming long odds; the survivor, frequently down but never out; and, with Hillary Rodham Clinton, part of the most controversial First Couple since Franklin and Eleanor Roosevelt. Maney's book is, in sum, the most succinct and up-to-date study of the Clinton presidency, invaluable not merely for understanding a transformative era in American history, but presidential, national, and global politics today.

Bill Clinton Joeming Dunn, 2011-08-01 Presents the life and political career of President Clinton in graphic novel format.

A Complicated Man Michael Takiff, 2010-10-19 “An astonishing collection of 171 interviews with Clinton's friends, foes, admirers, and detractors as well as reporters and political analysts.”—Booklist (starred review). Though Bill Clinton has been out of office since 2001, public fascination with him continues unabated. Many books about Clinton have been published in recent years, but shockingly, no single-volume biography covers the full scope of Clinton's life from the cradle to the present day, not even Clinton's own account, *My Life*. More troubling still, books on Clinton have tended to be highly polarized, casting the former president in an overly positive or negative light. In this, the first complete oral history of Clinton's life, historian Michael Takiff presents the first truly balanced book on one of our nation's most controversial and fascinating presidents. Through more than 150 chronologically arranged interviews with key figures—including Bob Dole, James Carville, and Tom Brokaw, among many others—*A Complicated Man* goes far beyond the well-worn party-line territory to capture the larger-than-life essence of Clinton the man. With the tremendous attention given to the Lewinsky scandal, it is easy to overlook the president's humble upbringing, as well as his many achievements at home and abroad: the longest economic boom in American history, a balanced budget, successful intervention in the Balkans, and a series of landmark, if controversial, free-trade agreements. Through the candid recollections of Takiff's many subjects, *A Complicated Man* leaves no area unexplored, revealing the most complete and unexpected portrait of our forty-second president published to date. “Packed with fascinating personal perspective and testimony.”—Nigel Hamilton, bestselling and award-winning author of

American Caesars

Bill Clinton Nigel Hamilton, 2007-07-10 A decade-and-a-half after President William Jefferson Clinton first took the oath of office, biographer Nigel Hamilton tells the riveting story of what was possibly the greatest self-reinvention of a president in office in modern times. The Clinton presidency began disastrously -- kicking off with the worst transition in living memory and deteriorating through a series of fiascos, from gays in the military to Hillary Clinton's failed health care reform. How Bill Clinton faced up to his failures and refashioned himself in the White House thereafter is an epic, hitherto unwritten story -- a story that climaxes with the trouncing of Bob Dole in the landslide presidential election in 1996. Clinton began his second term as the undisputed and tremendously popular leader of the Western world. In vivid prose, Hamilton charts Clinton's dramatic reversal of fortune and his ultimate triumph over himself -- and his foes. *Bill Clinton: Mastering the Presidency* is a riveting narrative of American politics, an incisive character portrait, and powerful reminder of what a great president can accomplish.

Bill Clinton: An American Journey Nigel Hamilton, 2003-09-30 Bill Clinton, forty-second president of the United States, is the quintessential baby boomer: on the one hand blessed with a near-genius IQ, on the other, beset by character flaws that made his presidency a veritable soap opera of high ideals, distressing incompetence, model financial stewardship, and domestic misbehavior. In an era of cultural civil war, the Clinton administration fed the public an almost daily diet of scandal and misfortune. Who is Bill Clinton, though, and how did this baby-boom saga begin? Clinton's upbringing in Arkansas and his student years at Georgetown, Oxford, and Yale universities help us to see his life not only as a personal story but as the story of modern America. Behind the closed doors of the house on the hill above Park Avenue in Hot Springs, the struggle between Clinton's stepfather and mother became ultimately unbearable, causing Virginia to move out and divorce Roger Clinton. Dreading confrontation, Bill Clinton excelled in almost every field save athletics. But the fabled success of the scholarship boy would be marred by the decisions he came to make regarding Vietnam and military service—choices that haunt him to this day. We watch with a mixture of alarm, fascination, and awe as Bill Clinton does so much that is right—and so much that is wrong. He sets his cap for the star student at Yale, young Hillary Rodham, seducing her with his dreams of a better America and an aw-shucks grin. Wherever he goes, he charms and disarms—young and old, men and women...and more women. He becomes a law professor straight out of college; he contests a congressional election in his twenties—and almost wins it. He becomes attorney general of his state and within two years is set to become the youngest-ever governor of Arkansas, at only thirty-two. Yet, always, there is a curse, a drive toward personal self-destruction—and with that the destruction of all those who are helping him on his legendary path. His affair with Gennifer Flowers strains his marriage and later nearly scuttles his bid for the presidency. He is thrown out of the governor's office after only one term and suffers a life-shaking crisis of confidence. Though with the stalwart help of a female chief of staff he

regains his crown, it is clear that Bill Clinton's charismatic career is a ceaseless tightrope walk above the forces that threaten to pull him down—the most potent of them residing in his own being. Imbued with sympathy, deep intelligence, and the storyteller's art, this extraordinary biography helps us, at last, to understand the real Bill Clinton as he stumbles and withdraws from the 1988 presidential nomination race but enters it four years later, to make one of the most astonishing bids for the presidency in the twentieth century: the climax of this gripping political, social, and scandalous journey.

The Postmodern Presidency Steven E. Schier, 2012-02-15 Choice Outstanding Academic Book. As America's first truly postmodern president, Bill Clinton experienced both great highs and stunning lows in office that will shape the future course of American politics. Clinton will forever be remembered as the first elected president to be impeached, but will his tarnished legacy have lasting effects on America's political system? Including the conflict in Kosovo, the World Trade Organization meeting in Seattle, and new developments in the 2000 presidential campaign, *The Postmodern Presidency* is the most comprehensive and current assessment of Bill Clinton's presidency available in print. *The Postmodern Presidency* examines Clinton's role in redefining the institution of the presidency, and his affect on future presidents' economic and foreign policies. The contributors highlight the president's unprecedented courtship of public opinion; how polls affected policy; how the president gained "celebrity" status; how Clinton's "postmodern" style of public presidency helped him survive the 1994 elections and impeachment; and how all of this might impact future presidents. This new text also demonstrates how the Clinton presidency changed party politics in the public and in Congress, with long-term implications and costs to both Republicans and his own Democratic party, while analyzing Clinton's effect on the 1990s "culture wars," the politics and importance of gender, and the politics and policy of race. This text is a must for anyone who studies, teaches, or has an interest in the American presidency and politics.
