Josefine Smith, Kathleen W. Taylor Kollman

Masters of the Shadowlands Cherise Sinclair, 2009 Club shadowlands- Her car disabled during a tropical storm. Jessica Randall discovers the isolated house where she's sheltering is a private bondage club. At first shocked, she soon becomes aroused watching the interactions between the Doms and their subs. But she's a professional woman-an accountant-and surely isn't a submissive ... is she?--Back cover.

Club Shadowlands Cherise Sinclair, 2023-04 One dark 'n' stormy night. One short curvy accountant. One very exclusive club. Jessica can't believe her luck. After her car slides into a water-filled ditch, she asks to shelter in an isolated mansion only to learn it's a private bondage club. Given the choice, she decides to enter. She hadn't realized when signing the Rules of the Shadowlands that she'd get much more than she bargained for. Her next mistake is attracting the attention of Master Z, the intimidatingly, confident owner of the Shadowlands. The most powerful dominant in the club, Master Z can have anyone he wants-and he wants Jessica. It's time to enter the darkly seductive world of the Shadowlands... This is not just the best in its genre, I think it might be put in my ultimate favorite category. The only problem in reading a book this great is that you tend to use it to gauge everything else you read. I may not be able to give out a top rating again for awhile. Guilty Indulgence

Show Me, Baby Cherise Sinclair, 2013-08-12 When Rainie rushes an injured dog to a clinic, she's appalled to recognize the veterinarian, Jake Sheffield. So not fair. His memory has haunted her for over a decade. And then he showed up at her Shadowlands BDSM club. And now, he owns the veterinary clinic? The Gods of Cruelty must be laughing at her. Master Jake is sophisticated, wealthy, and gorgeous. Rainie's a fluffy, ex-slum-rat. He'd never be with a woman like her. Besides, she's been burned enough times that she won't get serious about any man. Sure, the BDSM club trainees are supposed to be seeking a permanent Dom, but no harm, no foul-the Masters don't need to know the truth. As a Shadowlands Master, Jake watches out for all the trainees. But one is special. Lush body, a gift for living life to the fullest, always laughing or smiling. Now he's learned she also has a big heart. Although Rainie trips all his switches, she's avoided him since the moment she arrived...and he let her have that play. But when she lies to him about her goals, he knows the time has come for a Master to take an active part in her training.

Breaking Free Cherise Sinclair, 2010 A sadistic husband left Beth scarred, inside and out. Only at the Shadowlands BDSM club does she feel like a woman. But her fears limit her to Doms who won't overwhelm her -- the very ones who cannot arouse her. The Master of the Shadowlands gives her an ultimatum: accept the Dom he assigns or lose her membership. The last thing Beth wants is a ruthless, powerful Dom, but that's just what she gets. Asked to take on a problem sub, Nolan sees the problem -- although truly submissive, the little redhead is too scared to relinquish control ... and her Doms have let her get away with it. That will change right now. As Master Nolan takes Beth under command, compelling her submission, she's terrified, but the experienced Dom brings her pleasure, not pain. His only demand is that she never lie to him. Under his capable hands, her body comes alive, and she begins to heal. As he pushes her limits, she learns to trust ... and then to love. And she realizes he is beginning to care for her in return. But now her cruel husband has found her, and Master Nolan has discovered she's been lying and lying and lying. --P.[4] of cover.

Dark Citadel Cherise Sinclair, 2013-04-13 "Cherise Sinclair has written a highly erotic, emotional roller-coaster story that drew me in and held me captive throughout the story." ~ Fallen Angel Reviews BOOK DESCRIPTION: After Kari breaks up with her date during Beginner's Night at Club Shadowlands, she's given the option to continue with an experienced dominant. Despite her steamy fantasies about BDSM, the inexperienced schoolteacher plans to simply observe. Yet under the unyielding hands of Master Dan, she not only participates, but gives him everything he asks for. There is nothing she can hide from him. Not her passion...or her love. Still mourning the death of his wife, Master Dan avoids getting involved with women and he never takes a sub twice. But this modest little beginner is such a sweetie, one night is far from enough. As he plumbs her responses, taking her ever deeper into the world of BDSM, the gentle submissive begins to show him how barren his life has become and what a dark citadel he's made of his heart. During their three nights together, the teacher will learn to submit...can she teach the master to love? PRAISE FOR DARK CITADEL "It's amazing to me how some authors in just a few pages can suck you so far into a story you come out the other end feeling like you just ran a marathon. For me, Ms. Sinclair is one of those authors. She takes you into a world that not a lot of us really know that much about and the way that she describes and walks you through it makes you feel like you are there...She has become one of my auto-buy authors ~

Lean on Me Cherise Sinclair, 2010 Andrea wants to submit, but not to just any so-called Dom. He has to be tougher than the slum-bred bullies she grew up with. She'd given up finding a true Dom when her friend finagles her a place as a trainee in an exclusive BDSM club with the powerful Shadowlands Masters. Andrea's thrilled...and terrified. Forced to accept an unknown submissive into his carefully run trainee program, Master Cullen is furious. Not only is the young woman new to BDSM, but she's unsuited to her role--armoured in leather like a Domme, she's more liable to punch a Dom than kneel. He decides to push her right back out the door. But as he ruthlessly intimidates her, punishes her, then comforts her, his glimpses of the woman inside the emotional armour intrigue him and her utter surrender captures his heart. Although Master Cullen is famous for his unfettered lifestyle, Andrea believes he might be interested in her, until she discovers he's not just a bartender--he's a cop. Maybe he'd overlook her past brush with the law, but when another trainee accuses her of stealing money, Andrea's sure she's lost the Master she wanted with all her heart. Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: BDSM theme and content (includes/not limited to: bondage, spanking, tethering), voyeurism.

It'll Be An Adventure Cherise Sinclair,2023-02-21 From NYT & USA Today Bestselling author Cherise Sinclair comes an outstanding addition to the beloved Masters of the Shadowlands series. The secret of author Murphy's success is hands-on research. Murphy loves writing popular Regency thrillers and jumping into new adventures under the guise of research. For one novel, she'd joined a K9 search-and-rescue group—and liked it so much she stayed. But this book... Why had she thought a Regency birching club was a good setting? The challenge is, she'll have to return to the Shadowlands. Years ago, she'd sneaked into the area's most exclusive, private club. And what had happened to her there...well, she still has nightmares. But she's healed now, right? When she gets up her courage to visit the club, the owner hands her over to Master Saxon. Master Saxon is handsome, powerful, and dominant. The veterinarian has a gorgeous smile, a trust-me voice, and does Search and Rescue with his canine helper, Sherlock. In the Shadowlands, he's known as the Viking god. For years, he's avoided serious relationships. A quiet, little author can't possibly slip past his defenses. Even if he does adore her books. Master Saxon guided her into the dungeon. "If I birch you extra hard, will that get you to write faster?" Her mouth dropped open at his wicked grin, then his words registered. "No!" Note: Full-length, sizzling-hot novel with no cliff hanger and no cheating. A protective, dominant hero. A vulnerable, intelligent heroine. Page-turning adventure, sigh-worthy romance, hilarious girl-gang moments...and an adorable, fluffy dog.

Healing of the Wolf Cherise Sinclair,2020-06-23 "This is why I read romances - to escape into a world that is magical and where good triumphs over evil." ~ BookAddict Reviews A decade in captivity tore away all hope. But Margery never lost her resolve to help the sick. The village she'd hoped to serve as banfasa, caring for the ill and injured, is long gone. Humans captured the young shifters and killed the adults. Finally rescued, she has a chance at her dreams—at least for meaningful work. With her leg crippled and her face scarred, she knows she has no hope of ever finding love. Tynan is ready to find their mate. After years away from his littermate as a police officer among humans, Tynan is finally home, a beta in the wolf pack,

and serving his people as a law officer. Assigned as Margery's mentor in the pack, he patiently works to earn the skittish little wolf's trust. Her captivity has left her with problems, including a fear of uniforms. But he's a fixer at heart—and he's starting to want more from the gentle female than just friendship. Donal has no intention of making a family. Separated from his littermate for years, Donal has remained unmated, devoting his energies to healing. Believing ugly rumors about their new neighbor—a banfasa—he won't have her in his clinic or his life—no matter what his newly returned brother wants. But a feral shifter's attack on Tynan shows Margery in a whole different light. She's levelheaded, compassionate, sweet—and far too appealing. What male could resist her? But even as the brothers work to win their mate, cruel forces move to crush their entire clan.

Still Reading Romance Josefine Smith, Kathleen W. Taylor Kollman, 2025-04-01 In a world that commodifies feminism, is adapting romance novels for small and big screen projects, and the Romance Writers Association is evolving to a more inclusive representative group, it is imperative for researchers to reevaluate the cultural assumptions and gender norming work happening in the romance genre. It is time to question the cultural capital of traditional archetypes, explore the experience of romance readers, and question how romance and cultural studies researchers create quantitative, qualitative, and mixed methods research. This work centers around a data set collected with a revised version of Janice Radway's Reading the Romance survey that will be shared with all the authors of this anthology. By having access to this pool, authors will have the opportunity to explore different elements of reader experience and cultural norms in romance fiction, and potentially reflect on changes since Janice Radway's seminal work. The norms and negotiations readers experience while consuming romance is especially interesting as romancelandia becomes a more mainstream part of popular culture with the popularity of Bridgerton and romance series like Ice Planet Barbarians exploding on BookTok. No other book in romance or popular culture studies identifies a data set as the connecting element, and to do so creates an exciting opportunity to create a more inclusive study of popular romance, offer truly interdisciplinary research on the question of how readers read romance, and generate diverse areas of future scholarship. This edited volume explores multiple issues in romance fiction, based on survey data from real romance readers. An updated version of Janice Radway's influential survey looking at romance readers in the early 1980s, this time scholars explore romance readers' habits and attitudes in the twenty-first century. Each contributor in this volume uses the same survey data to make unique statements about gender, intersectionality, popular fiction, and popular culture. By using a common data set but approaching it from different perspectives, this unique volume is able to apply multiple methodologies to the same subject.
