Crave Tracy Wolff, 2020-04-07 The instant #1 New York Times Bestselling Series Glitter Magazine's #1 Pick for Best YA of 2020 Optioned for Film by Universal My whole world changed when I stepped inside the academy. Nothing is right about this place or the other students in it. Here I am, a mere mortal among gods...or monsters. I still can't decide which of these warring factions I belong to, if I belong at all. I only know the one thing that unites them is their hatred of me. Then there's Jaxon Vega. A vampire with deadly secrets who hasn't felt anything for a hundred years. But there's something about him that calls to me, something broken in him that somehow fits with what's broken in me. Which could spell death for us all. Because Jaxon walled himself off for a reason. And now someone wants to wake a sleeping monster, and I'm wondering if I was brought here intentionally—as the bait. ***INCLUDES 3 BONUS SCENES FROM THE HERO'S POV*** Don't miss a single book in the series that spawned a phenomenon! Charm Tracy Wolff, 2022-11-08 The instant #1 New York Times Bestselling Series Goodreads Most Anticipated YA Book of November Finally find out what happened during those missing four months, as the thrilling adventure continues! He's under my skin... After Katmere, I shouldn't be surprised by anything. Including the existence of a world beyond my world called the Shadow Realm. Yet here I am, stuck in a strange, dangerous place with the worst of the supernaturals, the monster that other monsters fear: Hudson Vega. He might be Jaxon's brother and ridiculously hot, but he's a complete bona fide pain in my ass. The question is whether we'll find a way out before I kill him...or run out of time. She's stealing my heart... It's a truth universally known—at least according to Grace—that everything is my fault. But I have a nasty suspicion that Grace isn't as human as she thinks, and she's the one keeping us trapped. Now we'll have to work together not only to survive, but to save all those we've come to call family who live here. Because there's something connecting us. Something stronger than fear...and way more bloody dangerous. Don't miss a single book in the series that spawned a phenomenon! This book will help you understand food and nutrition science, and guide you through making the years of research work for you and your health. Practice makes perfect, routine is the best practice! This food guide will help you create food rules to live by and make a diet plan that's balanced, nutritious, and keeps you engaged. The book will explain how to ditch the added sugars and enjoy the natural flavors of food, and help you set up a food plan for a balanced, unprocessed life. It also details the use of fasting in your diet, and explains how mindfulness and mental rest can help you reach your goals. Best of all, this book doesn't just tell you to eat or avoid certain things, it gives you a detailed, scientific reason why you should or should not have certain foods and drinks in your meal plan. No more 'because I said so' or 'according to x blogger'. Everything in these pages is backed by food and nutrition science, explained simply and broken down to easily digestible bites.
