SB Merriam

Out of My League Judith Kay, 2009-02-25 Out of My League is a compelling story of letting go of the past in order to grow into the future. At its center is a couple, two worlds apart, who find themselves facing decisions that challenge their independence, their commitments, and their way of life. Neither knew that a single trip to the library packed the potential to change them both forever. Consumed by ambition, J.P. Ralston has control over everything in his reach. A successful law practice, any woman he desires, and total social freedom. A sudden turn of events has J.P. scrambling for parental rights as he is forced to come to terms with remnants of past mistakes. In the midst of the chaos, one woman threatens to strip the jurisdiction he's come to know as his own life. Samira Cartwright is a young widow, raising her daughters, completely content in the world she's created for herself. Safe from relationships and social agendas, Samira's days are immersed in family affairs and managing the business of the Maple Street Library. One visitor awakens her spirit in ways she's banished from memory. Samira suddenly finds herself longing for companionship and dreaming of the man who dared to make her whole again. Out of My League is so real readers will find their own lives etched in the pages. Love never makes a wrong choice. Yet surrendering what has always been to seek what might yet be is the challenge of a lifetime.

Illuminate Aimee Agresti, 2012 A brainy, shy high school outcast interning at a Chicago hotel discovers that the hotel staff has an evil agenda planned for her classmates on prom night.

All Broke Down Cora Carmack, 2014-10-28 In this second book in New York Times and USA Today bestselling author Cora Carmack's New Adult, Texas-set Rusk University series, which began with *All Lined Up*, a young woman discovers that you can't only fight for what you believe in . . . sometimes you have to fight for what you love Dylan fights for lost causes.

Probably because she used to be one. Environmental issues, civil rights, education—you name it, she’s probably been involved in a protest. When her latest cause lands her in jail for a few hours, she meets Silas Moore. He’s in for a different kind of fighting. And though he’s arrogant and not at all her type, she can’t help being fascinated with him. Yet another lost cause. Football and trouble are the only things that have ever come naturally to Silas. And it’s trouble that lands him in a cell next to do-gooder Dylan. He’s met girls like her before—fixers, he calls them, desperate to heal the damage and make him into their ideal boyfriend. But he doesn’t think he’s broken, and he definitely doesn’t need a girlfriend trying to change him. Until, that is, his anger issues and rash decisions threaten the only thing he really cares about, his spot on the Rusk University football team. Dylan might just be the perfect girl to help. Because Silas Moore needs some fixing after all.

The Dare Elle Kennedy,2020-06-16 Get ready for another binge-worthy romance from New York Times bestselling author Elle Kennedy! College was supposed to be my chance to get over my ugly-duckling complex and spread my wings. Instead, I wound up in a sorority full of mean girls. I already have a hard time fitting in, so when my Kappa Chi sisters issue the challenge, I can’t say no. The dare: seduce the hottest new hockey player in the junior class. Conor Edwards is a regular at Greek Row parties...and in Greek Row sorority beds. He’s the one you fall for before you learn that guys like him don’t give girls like me a second glance. Except Mr. Popular throws me for a loop—rather than laughing in my face, he does me a solid by letting me take him upstairs to pretend we’re getting busy. Even crazier, now he wants to keep pretending. Turns out Conor loves games, and he thinks it’s fun to pull the wool over my frenemies’ eyes. But resisting his easy charm and surfer-boy hotness is darn near impossible. Though I’m realizing there’s much more to Conor’s story than his fan club can see. And the longer this silly ruse goes on, the greater the danger of it all blowing up in my face.
