Lauren Gardner

Does It Hurt? H. D. Carlton, 2022-07-21 Who am I? I've forgotten the answer to that question long ago. Ever since I ran from that house, so desperate to escape, I left with only the clothes on my back and socks on my feet. After that day, I've only ever walked in stolen shoes. Could I be a girl who is searching for the meaning of life in faceless men? They were all so forgettable. Until he came along. He took me under a waterfall and made me forget my name, and in return, I took his instead. Enzo Vitale. An enigmatic man that will only ever love the deep sea. Or rather the predators that inhabit it. Turns out, he's not so different than the monsters he feeds. He lured me onto his boat like a fish in the ocean, seeking vengeance for my crime. Had I realized his intentions, and that a massive storm would leave us shipwrecked, I would've ran. Now, I'm a girl who's seeking refuge in a decrepit lighthouse with a man who loathes me almost as much as he craves me. He wants to hurt me, but the old caretaker of the abandoned island may have intentions far more sinister. It's no longer a question of who I am, but rather, will I survive?

The Submissive Game, Elodie never imagined one night would change everything. Two men. Two dangerous, magnetic men—Enzo and Killian. Both dominant, both relentless, and both determined to claim her. They've spent years searching for the perfect submissive. The one who can take their darkness, their control, and their need for more. Just when they're ready to give up, Elodie walks into their lives... and they refuse to let her go. Caught between their intensity and their secrets, Elodie finds herself pulled into a world of passion and power she never expected. But surrendering to them means more than giving up her body—it means risking her heart. Can she handle their demands, their scars, and their ruthless desire to own her completely? Or will the weight of their pasts shatter her before she even has a chance to choose?
