**Delver Magic Book III: Balance of Fate** Jeff Inlo,2010-12-04 Ryson Acumen finds that his time of service to the Land of Uton and its people is not yet complete. Together with Holli Brances and Lief Woodson, they must work together once more to end a growing threat and to meet their own undeniable destinies. It is not without loss or sacrifice as they struggle to battle grotesque forces of malevolence. Enemies once forgotten return to hold sway over each ensuing conflict. Under the conniving guidance of the serp Sazar, legions of dark creatures rise out of Dark Spruce Forest. Allying himself with a sorceress of power in the Lacobian desert, Sazar finds the strength to rule and turns his lustful eyes eastward. Targeting the outposts and farmlands surrounding Connel, the serp forms a dark army to bring terror to the humans. Even as Ryson and his elf friends struggle against such foes, they look to the powerful wizard Enin for aid, but the spell-caster remains withdrawn from nearly every clash. It is within him to decimate the entire horde, but the consequences of such intended actions trouble his very soul. An understanding of balance has taught the wizard more than caution, it has led him to the presence of a being of equal power, but a creature with intentions of malice. Enin's unwillingness to interfere in the choices of individuals is born of the belief that he must allow all those around him to seek their own path. While these paths may differ, each will lead those that travel them to their ultimate fate.
