

Letters To Milena Kafka

Ruth Tiefenbrun

Letters to Milena Franz Kafka, 2015-11-03 The passionate but doomed epistolary love affair between a Czech translator and one of the greatest writers of the twentieth century, the author of *The Metamorphosis* and *The Trial*. Extraordinary...touching, horrifying, brilliant, sickly, [and] heartbreaking.... The most significant key we have for a reading of the author's novels and short stories. —The New York Times In no other work does Franz Kafka reveal himself as in *Letters to Milena*, which begins as a business correspondence but soon develops into an epistolary love affair. Kafka's Czech translator, Milena Jesenská, was a gifted and charismatic twenty-three-year-old who was uniquely able to recognize Kafka's complex genius and his even more complex character. For thirty-six-year-old Kafka, she was a living fire, such as I have never seen. It was to Milena that he revealed his most intimate self and, eventually, entrusted his diaries for safekeeping.

Postcards from Absurdistan Derek Sayer,2022-11-22 A sweeping history of a twentieth-century Prague torn between fascism, communism, and democracy—with lessons for a world again threatened by dictatorship *Postcards from Absurdistan* is a cultural and political history of Prague from 1938, when the Nazis destroyed Czechoslovakia's artistically vibrant liberal democracy, to 1989, when the country's socialist regime collapsed after more than four decades of communist dictatorship. Derek Sayer shows that Prague's twentieth century, far from being a story of inexorable progress toward some "end of history," whether fascist, communist, or democratic, was a tragicomedy of recurring nightmares played out in a land Czech dissidents dubbed Absurdistan. Situated in the eye of the storms that shaped the modern world, Prague holds up an unsettling mirror to the absurdities and dangers of our own times. In a brilliant narrative, Sayer weaves a vivid montage of the lives of individual Praguers—poets and politicians, architects and athletes, journalists and filmmakers, artists, musicians, and comedians—caught up in the crosscurrents of the turbulent half century following the Nazi invasion. This is the territory of the ideologist, the collaborator, the informer, the apparatchik, the dissident, the outsider, the torturer, and the refugee—not to mention the innocent bystander who is always looking the other way and Václav Havel's greengrocer whose

knowing complicity allows the show to go on. Over and over, Prague exposes modernity's dreamworlds of progress as confections of kitsch. In a time when democracy is once again under global assault, Postcards from Absurdistan is an unforgettable portrait of a city that illuminates the predicaments of the modern world.

Letter to the Father/Brief an den Vater Franz Kafka, 2013-06-26 A son's poignant letter to his father—from the author of *The Metamorphosis* and *The Trial*, and one of the most important writers of the twentieth century. • “One of the great confessions of literature.” —The New York Times Book Review Franz Kafka wrote this letter to his father, Hermann Kafka, in November 1919. Max Brod, Kafka's literary executor, relates that Kafka actually gave the letter to his mother to hand to his father, hoping it might renew a relationship that had lost itself in tension and frustration on both sides. But Kafka's probing of the deep flaw in their relationship spared neither his father nor himself. He could not help seeing the failure of communication between father and son as another moment in the larger existential predicament depicted in so much of his work. Probably realizing the futility of her son's gesture, Julie Kafka did not deliver the letter but instead returned it to its author.

Milena Margarete Buber-Neumann, 1997 Margarete Buber, the journalist daughter of Martin Buber, and Milena Jesenska, the beautiful lover of Kafka, met in Ravensbruck concentration camp in 1940. For four terrible years, the two women formed an extraordinary bond and made a pact that if only one survived, the other would bear witness. Only Margarete lived to remember. This is her story of Milena--of fearless love, sacrifice, and nobility.

The Remnant: Franz Kafka's Letter Eli Schonfeld, 2024-09-23 As a Jew, Kafka received nothing in inheritance from his father. Nevertheless, throughout his oeuvre, subtly, remnants of Jewish words can be deciphered. Hence, the question at the heart of this book: what remains when what's left is a nothing of Judaism (Letter to the Father)? This question necessitates a philosophical and Jewish reading of his work, prompting a reconsideration of the intricate relationships between the Jew and the West and the Jew and modernity. Thus, this book proposes an examination of Kafka's oeuvre to uncover what remains Jewish therein - at the heart of Europe, amidst modernity - where nothing remains: the enigma of the Letter.

Walter Benjamin's Ark John Schad, 2025-11-03 In July 1940, amidst fear of Nazi invasion, HMT Dunera left England. On board were a few British soldiers guarding over 2000 interned male Enemy Aliens, mostly Germans. Some of the internees were passionate Nazis, but most were Jewish refugees. Among them was Stefan Raphael Benjamin, the estranged child of the German-Jewish intellectual, Walter Raphael Benjamin. Cue Walter Benjamin's *Ark* which re-reads the life and work of Walter Benjamin via the curious life of his only child. The focal point is Stefan's dramatic voyage from England to Australia in 1940, a voyage rich in intellectual suggestion, shared as it was with obscure men with famous names such as Wittgenstein, Kafka, Marx and Wilde. Central to the book is the one substantive text that can be ascribed to Stefan: Benjamin's meticulous transcription of Stefan's utterances as an infant. This fascinating text has been largely overlooked, despite the insistence of

Benjamin's biographers that 'it continued to play a role in Walter Benjamin's writing until the end of his life'. This book thus seeks not only to bring into view the intriguing figure that is Stefan but also to identify him as that most crucial of Benjaminian spectres, namely, the secret 'you' or addressee of Benjamin's writings.

Zygmunt Bauman Shaun Best, 2016-02-11 In this ground-breaking book, Shaun Best analyses the intellectual knowledge production of Zygmunt Bauman and his rise to academic stardom in the English speaking world by evaluating the relation between his biography, the contexts in which he found himself, and why his intellectual creativity is admired by so many people. Bauman has an interesting 'contested' biography and underwent a number of intellectual shifts from the early stages of his academic career as Marxist. Bauman moved on and for almost ten years he was associated with 'postmodernity' (from 1989-1997) but in 2000 he decided to distance himself from postmodernism and rebrand his approach to understanding the contemporary world as 'liquid modernity'. Best shows how Bauman developed his canonised status becoming an intellectual guru in the UK and in Australia despite being largely ignored by the academic community in the United States and Central Europe. Rather than investigating Bauman's academic output as a demonstration of his 'creative genius', Best argues that most academic output involves the interplay of multiple factors and this book evaluates the influences on both intellectual choices and the social factors or contexts that led Bauman to attach himself to different sets of ideas during his academic career.

Letters to Friends, Family, and Editors Franz Kafka, 1990-03-10 More than two decades of letters from one of the greatest writers of the twentieth century—the author of *The Metamorphosis* and *The Trial*—to the people in his life, from his years as a student in Prague in the early 1900s to his final months in the sanatorium near Vienna where he died in 1924. Sometimes surprisingly humorous, sometimes wrenchingly sad, these letters, collected after Kafka's death by his friend and literary executor Max Brod, include charming notes to school friends; fascinating accounts to Brod about his work in its various stages of publication; correspondence with his publisher, Kurt Wolff, about manuscripts in progress, suggested book titles, type design, and late royalty statements; revealing exchanges with other young writers of the day, including Martin Buber and Felix Weltsch, on life, literature, and girls; and heartbreaking reports to his parents, sisters, and friends on the declining state of his health in the last months of his life.

Kafka's Other Trial Elias Canetti, 1988-04-12 Felice Bauer was Kafka's first great love and the inspiration for his first great fiction. Six weeks after they met, he wrote *The Judgment* for her in one night of feverish activity. Kafka always inferred to the traumatic, public breaking-off of their engagement as his tribunal, and indeed he began work on *The Trial* within a month of that event. Kafka's letters to Felice offer rare insights into the writer's life and art. Elias Canetti's brilliant and sensitive examination of this moving correspondence to show is the origins of Kafka's voice as a writer and his torment as a man.

Love Letters: Great Literary Romances Steven Payne, 2012-05-31 In the hands of a genius a love letter can become a great, even an immortal work of literature in its own right. *Love Letters: Great Literary Romances* examines the lives of great writers (John Keats; Franz Kafka; Leonard Woolf), a celebrated composer (Leoš Janáček) and two great lovers of mediaeval Europe (Abelard and Heloise) to see their turbulent and sometimes tormented romantic lives played out in the passionate declarations of love in the letters they wrote.

Kafka, Love and Courage Mary Hockaday, 1997-03 Hockaday, a journalist with the BBC World Service, presents Jesenka as much more than Kafka's lover and correspondent, describing her work as a journalist, her association with the literary circles of Prague and Vienna which included Max Brod and Hermann Broch, and her involvement with the underground resistance after Germany's invasion of Czechoslovakia, until her arrest and detention in Ravensbruck concentration camp. Kafka's Clothes Mark M. Anderson, 1992 'One should either be a work of art, or wear one', proclaimed Oscar Wilde at the end of the nineteenth century; 'I am made of literature, I am nothing else, and cannot be anything else', Franz Kafka proclaimed a brief decade later. Between these two claims lies the largely unexplored region in which the European decadent movement turned into the modernist avant-garde. In this original historical study, Mark Anderson explores Kafka's early dandyism, his interest in fashion, literary decadence and the 'superficial' spectacle of modern urban life as well as his subsequent repudiation of these phenomena in forging a literary identity as the isolated, otherworldly 'poet' of modern alienation. Rather than posit a break between these two personae, Anderson charts the historical continuities between the young Kafka and the author of *The Metamorphosis* and *The Trial*. The book demonstrates how clothing functions as a semi-private code of meaning in his literary works and the extent to which the aestheticist notion of becoming the work of art haunts Kafka's conception of writing throughout his life. The result is a startlingly unconventional portrait of Kafka and Prague at the turn of the century, involving such issues as Jugendstil aesthetics, Otto Weininger's 'egoless' woman, the Viennese critique of architectural ornament, the clothing-reform movement, anti-Semitism and the question of Jewish-German writing.

Letters to Felice Franz Kafka, 2013-06-26 More than two decades of letters from one of the greatest writers of the twentieth century—the author of *The Metamorphosis* and *The Trial*—to the people in his life, from his years as a student in Prague in the early 1900s to his final months in the sanatorium near Vienna where he died in 1924. Sometimes surprisingly humorous, sometimes wrenchingly sad, these letters, collected after Kafka's death by his friend and literary executor Max

Brod, include charming notes to school friends; fascinating accounts to Brod about his work in its various stages of publication; correspondence with his publisher, Kurt Wolff, about manuscripts in progress, suggested book titles, type design, and late royalty statements; revealing exchanges with other young writers of the day, including Martin Buber and Felix Weltsch, on life, literature, and girls; and heartbreaking reports to his parents, sisters, and friends on the declining state of his health in the last months of his life.

Moment of Torment; an Interpretation of Franz Kafka's Short Stories Ruth Tiefenbrun, 1973 Kafka scholars will find Ruth Tiefenbrun's remarkably original thesis provocative and perhaps even controversial, but they will not be able to ignore it. It could well invalidate much previous Kafka criticism. A student of modern literature, and trained in psychology, Ruth Tiefenbrun provides a new reading based on a unique psychological interpretation of Kafka as a homosexual whose works constitute an autobiographical confession. Her book decodes Kafka's secret words for his condition and thus provides a rationale for hitherto unexplained predicaments in which Kafka's major protagonists, both human and animal, find themselves. Well researched and brilliantly argued, this highly original work makes a significant contribution to modern psychological studies of literature.
