Set against the backdrop of the American frontier, the story follows a courageous and independent huntress who roams the rugged landscapes, skilled in survival and intimately connected with nature. Reid's descriptive prose brings the wilderness to life, immersing readers in the beauty and danger of the untamed frontier. The novel explores themes of adventure, self-discovery, and the power of love amidst adversity. It delves into the complexities of human relationships and the clash between civilization and the wild. The Wild Love of God Chris DuPré,2016-04-05 “It’s not possible to ever know enough about the love of God.” Chris DuPré, acclaimed worship leader, musician, and speaker, shares his story of growing up in small-town, Upstate New York with his unpredictable dad, a WWII vet struggling with PTSD before PTSD was diagnosable. Even amid financial frailty and a broken family, Chris DuPré traces the finger of God that, against all odds, led him through emotional and physical abuse in childhood to a miraculous conversion in adolescence during the Jesus Movement, and, years later, to a pivotal decision in a garden between two options: love or bitterness. Written with candor, humor, and grace, this is a narrative of forgiving those before us and loving those around us that every Christian will instantly recognize. Although names may change, the cosmic story remains the same: we can love because He first loved us—with a wild, cleansing, transformative love.
