Henry A. Fagbola .

Inspirational Reflections and Musings with a Simpler Flair Robert Elias Ballard,2010-07-22 We all are prone to reflect on our life experiences. sometimes they are the spiritual things that have impacted our lives and at other times they are simply the thoughts that brought us joy and happiness. In my short book I have written down some of the reflections and musings which are unique to me but at the same time are common to many and readers will soon have their own musings and recollections stirred.

Morning Meditations #2 Bertha James Laird,2015-06-20 Short devotionals to read that has a poem to go along with each one.

Countenance Matthew Lee,2024-03-16 Countenance is facial expression. This is, at least, what I write in the book, and what I write in the book I hope to be true. What I write in the book is just a collection of thoughts that I have taken the time to notice, and what I have noticed is that my thoughts, as with all thoughts, are more or less treasured. They are things that make me laugh, things that create feelings of nostalgia, and things that, if I am lucky enough, find a way to move me to tears. If I am lucky enough, they reveal to me something about this brilliant life that I live and, if I am even luckier, something about this brilliant life's Creator. This is what makes thoughts treasured. This is what makes them sacred, and as they find ways to change my countenance, I ought to take the time to notice. I ought to take the time to consider. Noticing and considering could make all the difference in how I end up seeing this life. I could end up experiencing a whole new countenance. Or if I am again lucky, I could end up experiencing a countenance that is lifted higher above the rest.

Grace in His Bosom Henry A. Fagbola .,2022-07-22 “Do you understand what you’re reading?” That was the direct question Philip asked the Ethiopian eunuch. He answered, “How can I without some help?” and invited Philip to the chariot with him. The entire scenario in Acts 8:26–40 portrays in detail the essence of this book. Understanding spiritual understanding is a process. That process starts with relationship. It is propelled by the innate desire to share in the common experience in Christ. When you read the Bible like the eunuch did, the following things happen. You enter into a relationship with the King and His Kingdom. You access the instruction bank of the King and His Kingdom. You acquire knowledge about

the King and His Kingdom. You communicate to the King of kings on the basis of the knowledge acquired. You confront kingdom distractions. You develop intimacy with God. You enter into spiritual bonding with the Holy Spirit. These seven steps define the content of this book. In *Grace in His Bosom*, Dr. Fagbola shared powerful insights that are necessary for understanding spiritual understanding.
