**Ghost Fish of Floating Bone Lake** Donna J. Hall Nobles, 2011-10-28 What can be more benign than a small lake hidden in a forested area behind a modern subdivision in South Carolina? Susan was a young real estate agent who needed a marketing strategy, but what she found while exploring the lake was a mystery and an unexpected turn in her life. Susan thought she had a clear plan for happiness and success. As many of us do, she had certain expectations of God in her world. When she had experienced pain and disappointment, she had discarded God. How could she have known God would use Floating Bone Lake and its Ghost Fish to work for a future and a hope in her life and the lives of those around her? Susan found that when God is in on the planning, you get a fish, not a snake.
