From My Heart Sr. Roderic B. 'Barry' Davis, 2008-03-31 Roderic B. Davis, Sr., is better known as Coach Barry or Barry. Coach Barry has been coaching since 1976, when he was 19 years old. Due to his coaching and interacting with youth and their parents, he has had plenty of opportunities to talk to both, his players and their parents, about different situations in their life. He soon found out that coaching just for that particular sport was not the only reason why he was coaching. Everyday issues and situations about day-to-day life was the priority. When Barry talked to them, not having the time to think of a politically correct response or a perfect answer, God blessed him to be able to speak to them from his heart. Barry realized he was coaching for life. Today, he still teaches and coaches basketball, while giving life lessons with a common sense approach. It is said, Common Sense is not all that common. From My Heart shows how regular everyday issues and situations can either be solved, or changed for the better, by using plain old common sense. From My Heart will make people sit-up and take inventory of their lives to see if there was anything they could have done better, and if there is anything they can do better to improve their life. From My Heart is a book filled with God inspired messages. It was written to help people deal with life's issues and situations. As you read, you will see Barry has a passion for children, families, and people in general, who are trying to live their lives the best way they can. These messages are about all different aspects of life. Even though common sense may not seem to be that common, sooner or later, common sense has gotta kick in.

Unfinished Richard Stearns, 2013 Rich Stearns takes us on a breathtaking journey to rediscover the critical mission of Christ in our world today and the richness of God's calling on our lives.

Reclaiming Her Story Jon L. Berquist, 2006-01-09 Their stories are as varied as the women who lived them--provocative, poignant, often painful. But they are not readily accessible to us. The voices are muted. The shapes and textures are blurred and easily distorted. Can the stories of Old Testament women of faith be reheard and reclaimed in an empowering way by women and men today? With remarkable sensitivity and a keen awareness of his own unavoidable male biases, Jon Berquist casts new light on Eve and Sarah, Lot's wife and Jephthah's daughter, Ruth and Esther, and others. This timely volume serves as a valuable resource for rediscovering the multiple witness of biblical women that has all too often gone unnoticed in the church's faith and life.

The Playboy Interviews Stephen Randall,2006 A large number of Playboy's readers do buy the magazine for the articles

-- specifically the interviews. The Playboy Interview is both incisive and entertaining, and important figures from all walks of life -- many of whom honor no other interview requests -- have given life- and career-altering interviews in the magazine's pages. The Playboy Interviews: They Played the Game features some of the most revered -- and reviled -- American sports stars from the past six decades openly discussing controversial issues including race, gender, drugs, and sexuality. More than just a bunch of jocks talking sports, these interviews are a fascinating reflection of the American psyche and evolving cultural perceptions.
