THE ONE AND THE ONLY... Jedidiah "Dee" Duaya, 2014-04-25 While in the world we have come to understand that there are many gods with many followers leading to many religions, the truth of the matter is that not all the gods are all right and true at the same time. One God has to be the right one, making him the true one as well, and all the rest of them have to be wrong and false gods at the same time. The One and the Only book will help all of us reason in discovering who this right and true God is, but most importantly, this book will challenge those that claim to be acquainted with this right and true God, not to keep him for themselves, making him a private property and preventing the rest of the world from accessing this God by dictating who can come to him and who cannot, but on the contrary, they will be reminded of their responsibility to share him, and to be the bridge of the people to this God without being an hindrance. In The One and the Only, we will have to come to the conclusion that nobody can privatize God or control him, but all of us in each of our own ways can relate and personalize this God in our lives. If there is One true God, then He must be the one and the only God for everybody, and He must be accessible for everyone who so want him in their world.

Manifesto of a 21st Century Anarchist Nickk DropKick, 2013-03-19 Manifesto of a 21st Century Anarchist is the written account of a young adult exposed to the radical rhetoric of Anarchism, Nihilism, and Egoism within the 21st century. The book itself is political theory, which attempts to explain the rational behind Anarchism, exemplify the ideology and begin to explain an Anarchists view of world order, justice, and freedom, and to ultimately reveal some tenants of Anarchism which anyone of any ideological background can rationally begin to understand. Taking a staunch anti-capitalist, anti-authoritarian, and anti-populist viewpoint Manifesto of a 21st Century Anarchist attempts to differentiate Anarchism from traditional politics, instead exploring a realm of idealism free from all hierarchy, state, and arbitration.

Landscape of the Soul W. Vance Grace, 2020-05-20 The North American church is struggling. Our society seems to be

coming apart at the seams and Christianity appears on the verge of losing its voice, its leadership, and its youth. The church's calling is to cooperate with her Creator in the repair of the world. Instead, we struggle in the loss of the simplicity of the natural images of Jesus which compel us to engage tension, dependency, and the lesson of being on the margins. Until we learn to take our cues from a world we did not build, our actions will continue to prop up a society struggling from the weight of its own ethos. Part history, part cultural dialogue, part travelogue—always in conversation with the ancient and compelling biblical vision of shalom—Landscape of the Soul will encourage you to see beyond the shells of your constructed world to those places where dynamic spiritual rhythms can still be found.

Institutes of the Christian Religion John Calvin Editor: Anthony Uyl, 2016-01-04 The chief work of the theologian John Calvin, the institutes have set the theological framework of Calvinists and Reform thinkers for many hundreds of years. Although originally written in the 16th century, Calvin's work still holds many truths that we can learn from today.
