Rachel Sandford

The Night and Its Moon Piper CJ, 2022-09-20 An addictive fantasy romance from TikTok sensation Piper CJ, now newly revised and edited. Two orphans grow into powerful young women as they face countless threats to find their way back to each other. Farleigh is just an orphanage. At least, that's what the church would have the people believe, but beautiful orphans Nox and fae-touched Amaris know better. They are commodities for sale, available for purchase by the highest bidder. So when the madame of a notorious brothel in a far-off city offers a king's ransom to purchase Amaris, Nox ends up taking her place — while Amaris is drawn away to the mountains, home of mysterious assassins. Even as they take up new lives and identities, Nox and Amaris never forget one thing: they will stop at nothing to reunite. But the threat of war looms overhead, and the two are inevitably swept into a conflict between human and fae, magic and mundane. With strange new alliances, untested powers, and a bond that neither time nor distance could possibly break, the fate of the realms lies in the hands of two orphans — and the love they hold for each other.

Nox and Amaris must fight once and for all to protect their people, their future, and each other. All that remains... If Nox and Amaris are ever to have the life together they've always hoped for, they will have to use all the power and strength within them to protect their continent. When powerful enemies from Sulgrave wielding unspeakable access to magic threaten to shatter their world for good, they must join with Raascot's military, the reevers, and an unlikely ally from the mountains to have any hope of saving their kingdoms. Together, their forces press north across deadly wastelands, facing unknowable threats, impossible battles...and new questions of what their fate truly holds. Their entire lives have been building toward this moment. The Sun and Its Shade Piper CJ, 2023-02-28 An addictive fantasy romance from TikTok sensation Piper CJ. In the enthralling follow-up to *The Night and Its Moon*, bestselling author Piper CJ redefines love and trust through an authentic fantastical portrayal of queer experiences, found family, and the gray areas that define us all. I love you... Nox's tear-filled words echo across the sand as she and Amaris are torn apart. They've battled fiercely to find each other again, and have

barely reunited when Amaris is taken away by the queen's dragon. Injured and desperate, Amaris is forced to navigate her new surroundings with the help of Raascot's enigmatic general if she hopes to stay alive. At the same time, across the land and running out of options, Nox forms a partnership with the continent's league of peacekeeping assassins, begging their help to find Amaris and forge some stability between the kingdoms. As wounds heal and new relationships blossom, Nox and Amaris must confront impossible obstacles and stretch their magic to its limits if they are ever to create a world that might finally reunite them for good. The odds are narrow, the stakes are high, and one question remains: Is it fate, love, or something else entirely that binds these two women together?

The Fox and the Falcon Piper CJ, 2025-02-18 Hazbin Hotel meets Crescent City in the second book in this otherworldly urban fantasy romance series from New York Times bestseller Piper CJ. The apocalypse begins with love and a lie... Marlow has spent most of her life believing the shadowy demon she loves isn't real. Not only is he the living, breathing Prince of Hell, but he is now in serious danger. Their reunion is cut short as Caliban remains in a vicious battle with a Phoenician goddess after Marlow's escape. To save him, Marlow must venture into her ancestors' domain for help—the Norse Pantheon—where shared blood is no guarantee of an alliance and the line between gods and beasts blurs. Major players from even more realms team up in the ever-growing war between Heaven and Hell, and it will be up to Marlow to determine friend from foe to get Caliban back and save her world as she knows it. No one said the games of gods would be easy, but Marlow is prepared to sacrifice everything to save the one she loves. For fans of Sarah J. The alternative would mean embracing the gift—or curse—shared by her mother and grandmother: she can see angels and demons, including a dark and haunting entity who's been with Marlow her entire life. At least, she believes that's all he is until a fae from the Nordic pantheon strolls into her life and informs her that she's been sharing a bed

with the Prince of Hell. A Prince who's now gone missing. Before she knows it, Marlow is deeply entangled in a centuries-old war, stumbling straight into a battleground between mighty beings of myth and legend from powerful pantheons around the world.
