Profile of the International Pump Industry - Market Prospects to 2007 R. Reidy,2002-12-13 This fifth edition of Profile of the International Pump Industry - Market Prospects to 2007 reviews the markets, technological trends, and major manufacturers of industrial pumps. Profile of the International Pump Industry covers both the international pump industry

and its associated market, illustrating the structure of the industry, highlighting developments, identifying future trends, and looking at recent mergers and acquisitions. Market estimates and forecasts to 2007, by region and pump type, are presented along with an analysis of the main end-user markets for industrial pumps, and a technology overview. Forty leading international pump manufacturers are profiled and a Top 20 league table of pump manufacturers, ranked by sales of pumps, is given. A directory of pump manufacturing companies and an index of companies by product type are also included.

Innovation in India Suseela Yesudian, 2012-11-16 Examines the shift in leading companies in India towards greater 'value added' and innovative work. Is the move towards greater levels of innovation the future of the services off-shoring industry in India?
