The Curious Incident of the Dog in the Night-Time GCSE Student Guide Jacqueline Bolton, 2016-04-21 Written specifically for GCSE students by academics in the field, the Methuen Drama GCSE Guides conveniently gather indispensable resources and tips for successful understanding and writing all in one place, preparing students to approach their exams with confidence. Key features include a critical commentary of the play with extensive, clearly labelled analyses on themes, characters and context. They take studying drama even further with sections on dramatic technique, critical reception, related works, fascinating behind-the-scenes interviews with playwrights, directors or actors, and a helpful glossary of dramatic terms. In Simon Stephens's multi-award-winning stage adaptation of The Curious Incident of the Dog in the Night-Time, based on Mark Haddon's novel, Christopher's investigation into the death of the neighbour's dog tears his world apart and confronts him with the struggle to survive when everything feels foreign. Carefully following the requirements of GCSE English Literature assessment objectives, these studies include expert advice on how to write about modern drama.
