Encountering Enchantment Susan Fichtelberg,2015-09-29 The most current and complete guide to a favorite teen genre, this book maps current releases along with perennial favorites, describing and categorizing fantasy, paranormal, and science fiction titles published since 2006. Speculative fiction continues to be of consuming interest to teens, so if you work with that age group, keeping up with the explosion of new titles in this category is critical. Likewise, understanding the many genres and subgenres into which these titles fall—wizard fantasy, alternate worlds, fantasy mystery, dystopian fiction, science fantasy, and more—is also key if you want to motivate young readers and direct them to books they'll enjoy. Written to help you master a complex array of genres and titles, this guide includes more than 1,500 books, most published since 2006, organizing them by genre, subgenre, and theme. Subgenres growing in popularity such as steampunk are highlighted to keep you current with the latest trends. The guide will serve three audiences. Of course, you can turn to it as you help your teenage patrons select the books and genres that will interest them most. Teen readers, whether devoted fans or newcomers, can use it themselves to find titles and subgenres they might like. In addition, the guide will help teachers and parents match students with the right books.

Returning to Ceremony Chantal Fiola,2021-10-08 Returning to Ceremony is the follow-up to Chantal Fiola's award-winning *Rekindling the Sacred Fire* and continues her ground-breaking examination of Métis spirituality, debunking stereotypes such as "all Métis people are Catholic," and "Métis people do not go to ceremonies." Fiola finds that, among the

Métis, spirituality exists on a continuum of Indigenous and Christian traditions, and that Métis spirituality includes ceremonies. For some Métis, it is a historical continuation of the relationships their ancestral communities have had with ceremonies since time immemorial, and for others, it is a homecoming—a return to ceremony after some time away. Fiola employs a Métis-specific and community-centred methodology to gather evidence from archives, priests' correspondence, oral history, storytelling, and literature. With assistance from six Métis community researchers, Fiola listened to stories and experiences shared by thirty-two Métis from six Manitoba Métis communities that are at the heart of this book. They offer insight into their families' relationships with land, community, culture, and religion, including factors that inhibit or nurture connection to ceremonies such as sweat lodge, Sundance, and the Midewiwin. Valuable profiles emerge for six historic Red River Métis communities (Duck Bay, Camperville, St Laurent, St François-Xavier, Ste Anne, and Lorette), providing a clearer understanding of identity, culture, and spirituality that uphold Métis Nation sovereignty.
