## Louis Emil Menger

*Shatter Me* Tahereh Mafi, 2018-01-09 The irresistible first book in the gripping Shatter Me series, now featuring gorgeous jacket art to match the rest of the series, and including the Destroy Me novella! One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. The jacket of this new hardcover edition matches the beautiful artwork of the paperback edition. It also includes the Destroy Me novella, which is told from Warner's point of view, and a brand-new author's note. Perfect for fans who have followed the series from the beginning and craved a matching set of books, and for readers looking to check out the series before the highly anticipated release of Restore Me!

Contemporary Literature and the Body Alice Hall, 2023-09-21 Contemporary Literature and the Body: a Critical Introduction introduces readers to key theorists and shifting critical trends in the field from 1940 to the present and examines these in relation to close readings of texts from a range of different genres. It argues that scholarship on literature and the body is of fundamental importance to discussions about gender, race, sexuality, class, age, narrative form, and processes of reading and writing. Contemporary Literature and the Body: a Critical Introduction understands 'literature' in a broad sense: as fundamentally connected to changes in technology, culture and the environment. Offering a lively and accessible synthesis, it explores how literary writing of present and recent decades is concerned with the challenges of conveying physical experiences, experimenting with sensory perception, and thinking through the relationship between

embodiment, identity and knowledge.

**Magic Vanished** Elizabeth Kirke,2021-04-15 Clear waters, pristine beaches, and the bones of human sacrifices... Of all the places to be transported by magic against my will, a tropical island doesn't seem too bad. Unfortunately it's teeming with blood casters who want me dead. On the bright side, I'm not alone; my friends are here too and we've faced tougher odds together before. But the dangerous magic on this island isn't like some of our other foes and there are places some of us can't even go without triggering deadly blood magic spells. To make matters worse, the leader of the blood casters is here and she is a witch to be reckoned with. If the rumors are true, she has rediscovered arcanism - an ancient magic even more deadly than blood magic. If she really is an arcanist, she's the most powerful magical being in the world and she has made it clear she's willing to kill anyone who gets in her way. And of course, we are very much in her way. "Part fantasy, part mystery, all awesomeness!" - five-star review from award-winning book blog, 2 Girls and a Book Magic Vanished is Book Five in the Urban Fantasy series, More than Magic, featuring witches, vampires, werewolves, and more. If you like your paranormal mixed with a little mystery and true friendship, dive into your copy today.

*Ecstasy Within Discipline* John B. Hougren,1995 Ecstasy Within Discipline is a study of the theological and spiritual dimensions of Richard Wilbur's poetry. First, it places Wilbur in the context of a generation of American writers who were searching for poetic ways to acknowledge the power of life's non-rational dimensions including the spiritual. Then it traces the several strategies found repeatedly in Wilbur's poems by which the poet leads his readers toward significant theological insights and spiritual encounters. Finally, Wilbur's understanding of the relationship of spirit and the material world is compared with that of Emerson, Dickinson, Frost, Merton, and the Christian scriptures. Richard Wilbur proves to be a writer whose immense skill at his craft is matched by the profundity of his exploration of the human spirit and the transcendence for

which it hungers. This is the first book-length study of Wilbur's poetry to focus on its theological and spiritual import.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved
