**The Right Sort of Man** Allison Montclair, 2019-06-04 From debut author Allison Montclair comes an engrossing historical mystery novel set in post-war London, *The Right Sort of Man*. In a London slowly recovering from World War II, two very different women join forces to launch a business venture in the heart of Mayfair—The Right Sort Marriage Bureau. Miss Iris Sparks, quick-witted and impulsive, and Mrs. Gwendolyn Bainbridge, practical and widowed with a young son, are determined to achieve some independence and do some good in a rapidly changing world. But their promising start is threatened when their newest client is found murdered and the man arrested for the crime is the prospective husband they matched her with. While the police are convinced they have their man, Miss Sparks and Mrs. Bainbridge are not. To clear his name—and to rescue their fledgling operation's reputation—Sparks and Bainbridge decide to investigate on their own. Little do they know that this will put their very lives at risk. \*BONUS CONTENT: This edition of *The Right Sort of Man* includes a new introduction from the author and a discussion guide

*A Royal Affair* Allison Montclair, 2020-06-09 More goes wrong than could be imagined when Iris Sparks and Gwendolyn Bainbridge of The Right Sort Marriage Bureau are unexpectedly engaged to dig into the past of a suitor of a royal princess in Allison Montclair's delightful second novel, *A Royal Affair*. In London 1946, The Right Sort Marriage Bureau is just beginning to take off and the proprietors, Miss Iris Sparks and Mrs. Gwendolyn Bainbridge, are in need of a bigger office and a secretary to handle the growing demand. Unfortunately, they don't yet have the necessary means. So when a woman arrives—a cousin of Gwen's—with an interesting and quite remunerative proposition, they two of them are all ears. The cousin, one Lady Matheson, works for the Queen in some capacity and is in need of some discreet investigation. It seems that the Princess Elizabeth has developed feelings for a dashing Greek prince and a blackmail note has arrived, alluding to some potentially damaging information about said prince. Wanting to keep this out of the palace gossip circles, but also needing to find out what skeletons might lurk in the prince's closet, the palace has quietly turned to Gwen and Iris. Without causing a stir, the two of them must now find out what secrets lurk in the prince's past, before his engagement to the future Queen of England is announced. And there's more at stake than the future of the Empire —there is their potential new office that lies in the balance.

That is until Lord Bainbridge—the widowed Gwen's father-in-law and legal guardian—returns from a business trip to Africa and threatens to undo everything important to her, even sending her six-year-old son away to a boarding school. But there's more going on than that. A new client shows up at the agency, one whom Sparks and Bainbridge begin to suspect really has a secret agenda, somehow involving the Bainbridge family. A murder and a subsequent kidnapping sends Sparks to seek help from a dangerous quarter—and now their very survival is at stake.

The Unkept Woman Allison Montclair,2022-07-26 Allison Montclair returns with the fourth Sparks & Bainbridge mystery, The Unkept Woman: London, 1946, Miss Iris Sparks--currently co-proprietor of the Right Sort Marriage Bureau--has to deal with aspects of her past exploits during the recent war that have come back around to haunt her. The Right Sort Marriage Bureau was founded in 1946 by two disparate individuals - Mrs. Gwendolyn Bainbridge (whose husband was killed in the recent World War) and Miss Iris Sparks who worked as an intelligence agent during the recent conflict, though this is not discussed. While the agency flourishes in the post-war climate, both founders have to deal with some of the fallout that conflict created in their personal lives. Miss Sparks finds herself followed, then approached, by a young woman who has a very personal connection to a former paramour of Sparks. But something is amiss and it seems that Iris's past may well cause something far more deadly than mere disruption in her personal life. Meanwhile, Gwendolyn is struggling to regain full legal control of her life, her finances, and her son - a legal path strewn with traps and pitfalls. Together these indomitable two are determined and capable and not just of making the perfect marriage match.
