Toni Morrison

Ojos azules Toni Morrison, 2014-05-22 Toni Morrison, ganadora del Premio Nobel de Literatura 1993, parte de la realidad de una chiquilla desgraciada para tratar temas como el concepto de belleza impuesto, la voz femenina o la infancia truncada, y lo consigue con una historia dura y deliciosa al mismo tiempo. Pecola es una niña pequeña que vive con sus padres y tiene una prima que se llama Claudia. Le gustan las muñecas y las caléndulas, que no le gustan a nadie excepto a ella. Pecola es negra y cree que es fea porque no se parece a Shirley Temple. Y tiene un truco para desaparecer cuando sus padres se pelean o su padre la molesta por las noches: piensa que tiene unos preciosos ojos azules, que todo el mundo admira su belleza y que las otras niñas la envidian. Pero ese sueño nunca se convertirá en realidad y Pecola seguirá atrapada en la triste vida que le ha tocado en suerte. Reseñas: «Una exploración de la raza y el género de la ganadora del Nobel, todo un clásico estadounidense. Con su exploración de las dinámicas entre el racismo interiorizado y la autoestima, [...] Morrison reflexiona sobre cómo la sociedad ensalza todo lo relacionado con los blancos #asociados con la belleza, la pureza y la inocencia#, algo que puede hacer mella en la autoestima de una persona y llevarla por la senda de la destrucción.» Freddie Braun, Vogue (6 novelas fundamentales de autores negros que deberías añadir a tu lista de lecturas «Toni Morrison se ha convertido en la D. H. Lawrence de la psique negra, transformando individuos en fuerzas, idiosincrasias en inevitabilidad.» New York Magazine

El origen de los otros Toni Morrison, 2020-11-26 La visión de la gran Toni Morrison, Premio Nobel de Literatura, sobre la vida y la identidad racial. «Siempre adoré su franqueza y admiré la forma en que ocupó su lugar en el mundo. Creí en ella.» Chimamanda Ngozi Adichie «Ella lideraba y nosotros la seguíamos: nos enseñó la belleza del lenguaje y el poder que se desata cuando se une a un gran corazón y a una mente feroz.» Salman Rushdie ¿Qué es la raza y por qué es importante? ¿Qué motiva la tendencia humana a construir Otros? ¿Por qué la presencia de esos Otros nos asusta tanto? Basándose en sus Norton Lectures, Toni Morrison aborda estas y otras cuestiones que dominan cada vez más la política mundial: la raza, el miedo, las fronteras, los movimientos de masas, el deseo de pertenencia... En su búsqueda de respuestas, la novelista revisa cuidadosamente sus propios recuerdos, así como la historia, la política y, especialmente, la literatura, examinando autores como Harriet Beecher Stowe, Ernest Hemingway y William Faulkner. A través de ellos analiza las nociones de pureza racial, el origen de la raza negra como una herramienta para definir una sociedad inmigrante con una gran variedad de

procedencias y costumbres, o las formas en que la literatura emplea el color de la piel para definir a los personajes o conducir la narrativa. Con un prólogo del ganador del National Book Award, Ta-Nehisi Coates. La crítica ha dicho sobre el libro... « El origen de los otros no es un libro sobre las diferencias raciales (al fin y al cabo, como señala Morrison, solo hay una raza humana) sino sobre las posibilidades y responsabilidades de la literatura. Tras leerlo, lo que perdura en nuestras mentes son las audaces y delicadas yuxtaposiciones literarias de la autora.» Lidija Haas, The Guardian « El origen de los otros está lleno de sabios argumentos, que se vuelven aún más persuasivos por la prosa elegante y su rechazo hacia aquel imaginario sobre la otredad de la que todos somos infelices herederos. Leer este inteligente, inquisitivo e inspirador libro es familiarizarse con una autora enemiga de esa herencia y una amiga vital del proyecto humano.» Matthew Adams, The National «Unos ensayos ricamente adornados con anécdotas y recuerdos, pero profundamente basados en el análisis literario... El origen de los otros es políticamente profético.» Beejay Silcox, The Australian «La laureada premio Nobel teje en este libro memorias e historia a través de un mordaz análisis literario, y nos ofrece reflexiones sensibles sobre la configuración de la alteridad... Tan nítida como cabría de esperar de tan aclamada autora.» Kirkus Reviews «Morrison ha encontrado una voz y un estilo puro y directo, [...] ha desvelado las formas en las que la violencia se trenza con la pasión para redimir un pasado que vuelve y duele.» Michiko Kakutani, The New York Times «Un delicioso ensayo que nos muestra lo que no nos cuentan otros manuales. Morrison vuelve a sorprender con su facilidad para hacer llegar su discurso racista en los barrios obreros y para conseguir aglutinar a gente diferente bajo un mismo miedo: los demás.» Álvaro Muñoz, Llegir en cas d'incendi Y sobre la autora... «Su serenidad fue la base para una larga carrera como novelista y persona pública.» Harold Bloom «Toni era un alma comprensiva con los escritores más jóvenes como yo. [...] Una vez escribí que a Thomas Hardy le habría encantado La isla de los caballeros, pero debería haber dicho que a Hardy le habría encantado esta escritora.» John Irving

Amatissima Toni Morrison, 2009

The World of Toni Morrison Fitos Mónica, 1995

Mujeres de luz Rebecca Campbell, 2019-03-04 Esta obra es una guía para una nueva generación de mujeres que están aquí para ser luces brillantes en el mundo. Rebecca Campbell tuvo su primer despertar cuando era adolescente, pero sin que nadie la guiara, ignoró los llamamientos de su alma y disminuyó su luz para encajar. Más tarde, justo antes de cumplir 30 años, tras la muerte de dos buenos amigos, dejó su exitosa carrera como directora creativa galardonada y la relación con su novio de siempre y comenzó la vida que tan conscientemente había creado. Mujeres de Luz es un libro inspirador y muy necesario en estos momentos que nos alienta con valentía a encender nuestra luz y atender a las llamadas diarias de nuestra alma para que podamos iluminar el mundo con nuestro auténtico espíritu.

Triste tigre Neige Sinno, 2024-09-04 Entre la autobiografía y el ensayo, un texto poderosísimo y de alto voltaje literario

sobre el abuso sexual a menores. Esta es la historia de una mujer que de niña sufrió abusos por parte de su padrastro y que reflexiona sobre el sentido de la experiencia que le tocó vivir. Sabe que nunca va a entender realmente qué pasó, y aun así sigue buscando, con la distancia pacificadora de los años pero con la rabia intacta. Pensar es como la lucha de un samurái contra un monstruo, y, para luchar contra los monstruos del pasado y los nuevos monstruos que aparecen en el momento de ser madre, esta mujer usa las armas con las que se ha formado: las armas de la literatura. Triste tigre es una aventura del pensamiento que nos propone acompañar a la narradora mientras se cuestiona la violencia sexual, el mal, el trauma, el silencio, pero también las formas de ser un adulto protector, la libertad, la verdad, el relato. ¿Cómo contar una historia que no se puede contar? ¿Cómo escuchar una historia que nadie quiere escuchar? ¿Qué hacer con eso que es terriblemente grave y a la vez perfectamente normal? Triste tigre no es un libro, es una bomba, una pequeña bomba artesanal que se detona en casa, en la intimidad de la lectura. Tiene la intensidad y la fragilidad de las cosas concebidas en soledad y con furia. También tiene la loca y ridícula ambición de que todo estalle en pedazos.

Getting the books **Toni Morrison Libros Pdf Gratis** now is not type of inspiring means. You could not only going in imitation of books accretion or library or borrowing from your friends to open them. This is an agreed easy means to specifically get guide by on-line.
