Beach Read Emily Henry, 2020-05-19 FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF FUNNY STORY! A romance writer who no longer believes in love and a literary writer stuck in a rut engage in a summer-long challenge that may just upend everything they believe about happily ever afters. As featured in The New York Times Book Review • Entertainment Weekly • Oprah Magazine • Betches • Shondaland • Good Morning America • The New York Post • Good Housekeeping • CNN • and more! Augustus Everett is an acclaimed author of literary fiction. January Andrews writes bestselling romance. When she pens a happily ever after, he kills off his entire cast. They're polar opposites. In fact, the only thing they have in common is that for the next three months, they're living in neighboring beach houses, broke, and bogged down with writer's block. Until, one hazy evening, one thing leads to another and they strike a deal designed to force them out of their creative ruts: Augustus will spend the summer writing something happy, and January will pen the next Great American Novel. She'll take him on field trips worthy of any rom-com montage, and he'll take her to interview surviving members of a backwoods death cult (obviously). Everyone will finish a book and no one will fall in love. Really.

Emily Henry 3-Book Boxed Set Emily Henry, 2024-11-26 From #1 New York Times bestselling author Emily Henry comes a sparkling and stylish boxed set of the first three novels that started the phenomenon: *Beach Read*, *People We Meet on Vacation*, and *Book Lovers*. Showcasing Emily Henry's trademark elevated romantic fiction, these three novels are filled to the brim with wit, banter, and joy, while also being relatable, genuinely funny, and cathartic, as Emily tackles themes that resonate deeply with her readers. *Beach Read* A romance author who no longer believes in love and a literary writer stuck in a rut engage in a summer-long challenge that may just upend everything they believe about happily-ever-afters. *People We Meet on Vacation* Alex and Poppy are the best of friends, and every summer they have taken one glorious week of vacation together--until two years ago, when they ruined everything. Now, Poppy wants her best friend back and convinces Alex to go on one more trip together: one week to fix everything. *Book Lovers* A cutthroat literary agent agrees to accompany her sister on a trip to Sunshine Falls, NC, in order to become the heroine in her own story, only to keep bumping into the brooding editor from back in the city.

Narrative of an Expedition to the Source of St. Peter's River, Lake Winnepeck, Lake of the Woods, &c. &c, 1824 William Hypolitus Keating (1799-1840), a professor of mineralogy and chemistry at the University of Pennsylvania

(1822-1828), compiled this two-volume account of a scientific expedition in 1823 under the auspices of President Monroe's War Department. The expedition encompassed the Minnesota River, Red River, Lake Winnepeg, Lake of the Woods, and Lake Superior. Keating used his own notes as well as those of the other scientists who traveled with him. These included James Colhoun, astronomer, assistant topographer, and historical authority; Thomas Say, zoologist and acting botanist with a knowledge of matter relating to Indians; and Major Stephen Long of the United States Topographical Engineers, commander, chief topographer, and author of additional descriptive and historical material. Although Americans and Europeans had reached the area before, Keating considered his expedition to be the first to use scientific equipment and knowledge to describe and evaluate the region's natural resources. Volume 1 provides detail about the journey west and the ensuing voyage up the Mississippi, from Prairie du Chien to the point just below St. Anthony's Falls where the travelers entered the Minnesota and proceeded to Big Stone and Traverse Lakes. The expedition set forth from Philadelphia and journeyed via Hagerstown and Cumberland to Wheeling, traversing Ohio from Zanesville to Columbus and, from there, on to Fort Wayne and Fort Dearborn. At that point, departing from their planned itinerary, they headed across the prairies to Fort Crawford and Prairie du Chien. One of the expedition's goals was to report on the Native American peoples populating the areas through which they traveled. The narrative pays considerable attention to mounds, fortifications, and other Indian antiquities as well as to the cultural practices, beliefs, health, and physical attributes of the several tribes encountered. Descriptions of the Potawatomi, Miami, Sauk, Menomone [Menominee], Winnebago, and Dakota [Sioux] provide insights about the observers as well as the peoples observed. Volume 2 chronicles the journey from Lake Traverse up the Red River to Lake Winnipeg [Winnepeek] and down the Winnipeg River to Lake of the Woods. From there, the expedition followed Rainy River to Rainy Lake, and Lac La Croix over to Lake Superior, Sault Saint Marie [Sault de St. Marie], and Mackinac [Mackinaw], which is where the narrative ends. A chapter concerns the cultural practices, beliefs, health, and physical attributes of the Chippewa (Ojibwe), and material on other Native Americans, particularly the Dakota [Sioux], appears elsewhere. Chapter 5 was written by Major Long, and points out significant hydrographical and topographical features of the country the expedition traversed. Long also evaluates Native Americans' complex relations with the United States and its settlers. The book includes several appendices on natural history. Thomas Say classifies zoological materials and observations, and Lewis de Schweinitz contributes a catalogue of the plant specimens Say collected along the way. James Colhoun presents astronomical data, and Joseph Lovell, the U.S. Surgeon-General, compares climate readings at several American military outposts. The volume concludes with a comparative list of Native American vocabularies.

Sea-Devil Jessica Sherry,2015-07-24 You never forget your first love. Or your first murder. Escaping her mistake-ridden past, smart and sassy book nerd Delilah Duffy returns to the island she adored as a child to reinvent herself as the manager of Beach Read, a local bookstore. With disturbing acts of vandalism following her every step, the message is clear—she's not welcome. Tensions escalate when a chilling murder stains the floors of her bookstore on the eve of her grand opening, and she's quickly pegged as the prime suspect. With questions left unanswered and suspicion high, even from her family, one person stands by her—local cop Sam Teague, her first love and most devastating heartbreak. His kindness and support are an unexpected lifeline if she can trust it. He helps her see her own potential, but she can't forget the pain he once caused. He broke her heart once—she can't let it happen again. With evidence mounting against her, Delilah must use her head and her heart to clear her name before the killer strikes again, even if it means confronting her past and trusting the one who left her broken.
