

When We Were Strangers

LM Reder

Before We Were Strangers Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn’t stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn’t see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn’t know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I’ve spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half?

When We Were Strangers Pamela Schoenewaldt, 2024-03-19 The people as real as your own family, and the tale realistic enough to be any American's. —Nancy E. Turner, author of *These Is My Words* A moving, powerful, and evocative debut novel, *When We Were Strangers* by Pamela Schoenewaldt heralds the arrival of superb new voice in American fiction. A tale rich in color, character, and vivid historical detail, it chronicles the tumultuous life journey of a young immigrant seamstress, as she travels from her isolated Italian mountain village through the dark corners of late nineteenth century America. A historical novel that readers of Geraldine Brooks, Nancy Turner, Frances de Pontes Peebles, and Debra Dean will most certainly cherish, *When We Were Strangers* will live in the mind and the heart long after its last page is turned.

When We Were Strangers Alex Richards, 2021-07-27 An exquisitely told story of grief, growing up, and the glorious

complexities of love and life. - Kathleen Glasgow, New York Times bestselling author of *Girl in Pieces* and *You'd Be Home Now* A sparkling, stirring ode to love, art, and unexpected human connection. - Jeff Zentner, Morris Award-winning author of *The Serpent King* From the author of *Accidental* comes a gripping story about a teen grieving her father's sudden death--and grappling with the shocking secrets he left behind. Seventeen-year-old Evie Parker is devastated in the wake of her father's sudden death. But she knows something her mother doesn't: the day of his heart attack, her dad was planning to move out. After finding his packed bags, an impulsive Evie puts everything away to spare her mom more heartache. To make matters worse, Evie soon learns the reason her father was going to leave: he had been dating his twenty-two-year-old receptionist, Bree, who is now six months pregnant. Desperate to distract herself, Evie signs up for a summer photography class, where she meets a motley crew of students, including quirky and adorable Declan. Still, Evie can't stop thinking about her father's mistress. Armed with a telephoto lens, she caves in to her curiosity, and what starts as a little bit of spying on Bree quickly becomes full-blown stalking. And when an emergency forces Evie to help Bree, she learns there's more to the story than she ever knew . . . Alex Richards crafts a riveting new story about betrayal, complicated family secrets, and getting to the heart of what matters--ultimately asking readers how far they'd be willing to go to unravel the truth.

Before We Were Strangers Brenda Novak, 2018-12-04 New York Times-Bestselling Author: "I loved this twisty tale of friends, enemies, lovers, liars, and a family fractured by secrets." —Susan Wiggs Five-year-old Sloane McBride couldn't sleep that night. Her parents were arguing again, their harsh words heating the cool autumn air. And then there was that other sound—the ominous thump before all went quiet. In the morning, her mother was gone. The official story was that she left. Her loving, devoted mother! That hadn't sat any better at the time than it did when Sloane moved out at eighteen, anxious to leave her small Texas hometown in search of anywhere else. But not even a fresh start working as a model in New York could keep the nightmares at bay. Or her fears that the domineering father she grew up with wasn't just difficult—he was deadly. Now another traumatic loss forces Sloane to realize she owes it to her mother to find out the truth, even if it means returning to a town full of secrets and lies, a jilted ex-boyfriend, and a father and brother who'd rather see her silenced. But as Sloane starts digging into the past, the question isn't whether she can uncover what really happened that night—it's what will remain of her family if she does . . . "A dark, twisty plot that will leave readers unsure until the very end keeps the pages turning in this engrossing, insightful romantic thriller." —Library Journal "The kind of book best swallowed in one sitting: suspenseful, surprising, and 100% addictive." —Kimberly Belle, USA Today—bestselling author of *The Marriage Lie*

We Were Strangers Israel Oz,2018-12-30 The love of two strangers against the world He was busy supporting his wife on her final journey when their eyes met. She too was there with her husband. A while later, when both are in Italy, they accidentally meet again and their fleeting glance develops into a romance. They learn they have a lot in common, not only the loss of a partner to cancer and the pain of being left alone. Even though they belong to different religions - Yossi is Jewish and Jihan is Arab-Christian, their romance turns into a loving partnership. The hope that their families and community will accept them as a couple and focus on the love between them, is painfully tested, leaving their relationship fragile. They have to face angry family members and hate filled community members, some of whom vehemently oppose their wish to be together. Now, she has to make a choice between her son and her happiness and he is forced to make a cruel choice between remaining in his community and putting an end to their personal happiness, or staying together and be ostracized, losing everything.
