

Bin Pitruzzella Diritto Pubblico

Francesco Capriglione

Constitutional Law in Italy Valerio Onida, Marilisa D'Amico, Costanza Nardocci, Enzo Balboni, Ilaria Carlotto, Paolo Cavaleri, Matteo Nicolini, Maurizio Pedrazza Gorlero, Giovanni Guiglia, Elisabetta Lamarque, Marta Cartabia, Antonio D'Andrea, Fabrizio D'Addabbo, Lorenzo Spadacini, 2024-06-17 Derived from the renowned multi-volume International Encyclopaedia of Laws, this very useful analysis of constitutional law in Italy provides essential information on the country's sources of constitutional law, its form of government, and its administrative structure. Lawyers who handle transnational matters will appreciate the clarifications of particular terminology and its application. Throughout the book, the treatment emphasizes the specific points at which constitutional law affects the interpretation of legal rules and procedure. Thorough coverage by a local expert fully describes the political system, the historical background, the role of treaties, legislation, jurisprudence, and administrative regulations. The discussion of the form and structure of government outlines its legal status, the jurisdiction and workings of the central state organs, the subdivisions of the state, its decentralized authorities, and concepts of citizenship. Special issues include the legal position of aliens, foreign relations, taxing and spending powers, emergency laws, the power of the military, and the constitutional relationship between church and state. Details are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance. Its succinct yet scholarly nature, as well as the practical quality of the information it provides, make this book a valuable time-saving tool for both practising and academic jurists. Lawyers representing parties with interests in Italy will welcome this guide, and academics and researchers will appreciate its value in the study of comparative constitutional law.

Politics and Finance in the European Union Francesco Capriglione, 2016-03-09 The recent financial and sovereign debt crisis, while turning the spotlight into the degenerating effects of modern-day capitalism, has engendered a series of hard-to-control events that are severely testing the stability of the European institutions. The adjustments, to date, have proved unable to adequately tackle the financial turmoil that is undermining the construction of the EU. Hence the need to identify the reasons behind this situation, which is accompanied by the failure to achieve an osmosis between the member countries of the Union. The objective to be pursued is clarifying the uncertainties and contradictions within Europe, for the purpose of addressing what many see as a "systemic crisis".

National Constitutions and EU Integration Stefan Griller, Lina Papadopoulou, Roman Puff, 2022-08-25 Do individual constitutions, and the legal cultures underlying them, pose an obstacle to future EU integration? This ambitious collection brings together reports from all the European Member States, systematically setting out their individual constitutional guarantees. In doing so, it tracks possible roadblocks to the future evolution of European integration. Written by recognised authorities in each Member State, it offers an authoritative and rigorous overview of the European Union's constitutional landscape. Its single-structure approach allows for comparison while maintaining consistency. It will become the standard reference work for academics, students and practitioners in the field of European Union law and integration.

Le fonti dell'ordinamento repubblicano Maurizio Pedrazza Gorlero, 2010

Annales de la Faculté de droit d'Istanbul, 2006

Fundamental Rights and Private Law in the European Union: A comparative overview Gert Brüggemeier, Aurelia Colombi Ciacchi, Giovanni Comandé, 2010 This two-volume comparative study, carried out by the Research Training Network on Fundamental Rights and Private Law in the European Union, offers an overview of the doctrines and case law on the direct or indirect application of a fundamental right, for example a national constitutional right or an international human right, in order to solve a dispute between private parties in England, France, Germany, Italy, the Netherlands, Poland, Portugal, Spain and Sweden. Volume I contains national reports for each of these countries, preceded by a brief introduction explaining the project terminology and methodology and followed by a comparative chapter. A contribution on the horizontal effect of fundamental rights and freedoms in EU law is also included. Volume II includes ten comparative analyses of selected case patterns in contract, tort, property and family law, which have been adjudicated with reference to fundamental rights in many or at least some of these countries.

Rivista trimestrale di diritto pubblico, 2004

Diritto pubblico BIN ROBERTO, PITRUZZELLA GIOVANNI, 2024-09-13 Un manuale di Diritto pubblico serve anzitutto agli studenti che devono affrontare uno dei primi “scogli” del loro percorso universitario, di cui il Diritto è una componente spesso “faticosa”. Con la ventiduesima edizione si è rinnovata totalmente l’opera, proprio pensando alle necessità degli studenti di oggi. A parte un riordino dei temi sviluppati nel testo che “alleggeriscono” lo studio, si è integrato il libro con la componente online, che presenta contenuti nuovi, tra cui mappe concettuali e centinaia di quiz, oltre agli approfondimenti in precedenza presenti nelle “finestre”. L’ambizione che ha guidato la scrittura del libro e ha indotto ad aggiornarlo ogni anno da ventidue anni è di aiutare gli studenti a studiare e, auspicabilmente, di suscitare in loro interesse per la materia.

The Top Books of the Year Bin Pitruzzella Diritto Pubblico The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man

who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
