**Sylvia Browne's Lessons for Life** Sylvia Browne, 2009-12 An Excerpt from the Book When you put your all into this program and complete it, you'll come out feeling refreshed, renewed, and released from your doubts, fears, and phobias. You will, through your own introspection, become more spiritual, which naturally leads to being more psychic. You'll know that life is all a textbook of learning played out on the stage of this world, and when it's over, you'll exit behind the curtains and go home from whence you came.... This book will help you find almost every facet you need to help you arrive at your own spirituality, and it will help you get over your feelings of guilt, loss, and instability. The information within will answer questions in more depth than I've previously explored or written about, and the meditations and exercises will enhance your consciousness to bring you closer to your divine purpose and your ultimate love affair with God.... Put all you have into this, and you'll get a hundredfold back. Good luck!

*The Nature of Good and Evil* Sylvia Browne, 2000-11-01 We constantly see the “senseless violence” in our world, and it begs the question: “How can an all-loving God allow this to exist?” Indeed, many people simply reject any notion of God for this very reason. This book, the third in Sylvia Browne’s Journey of the Soul series, gives you the philosophical framework to understand the nature of good and evil—and the role of God in the big picture. When you see how evil originated and why it thrives in our world, you’re more prepared to face it and overcome it. Sylvia points out that you need not fear “evil spirits” or “curses”—which are merely stories bred from ignorance. And how would you like to serve as one of God’s warriors of Light? Sylvia explains how to enlist! By combining her philosophical and theological views, Sylvia creates a spiritual umbrella that rises above traditional religion. All paths that lead to knowing God have merit—Sylvia simply invites you to know Him/Her in your own way, free of dogma and fear.

Past Lives, Future Healing Sylvia Browne, Lindsay Harrison, 2001-07-01 The Other Side and Back and Life on the Other Side were phenomenal #1 New York Times bestsellers. Now world-renowned psychic Sylvia Browne returns with a book that takes her millions of devoted readers on an extraordinary journey of past lives. From two-time #1 bestselling author Sylvia

Browne comes a remarkable book that shows how our past lives affect everything from our relationships to our health and well-being. With millions of copies of her book in print, Sylvia Browne has proven herself the reigning expert on psychic phenomena. In her newest book, the New York Times bestselling author takes us into the mysteries of our own bodies in a comprehensive guide that explores the far-reaching influence the afterlife can have on our health and happiness in this life. With the unique understanding, sensitivity, and profound insight that distinguished her previous books, Browne gives us an unprecedented look at the way so many of our health and relationship problems have their roots in our unresolved past lives: from unexplained illnesses to bizarre phobias, from irrational anxieties and fears to the partners and loves we choose. Even birthmarks and recurring dreams can be traced directly back to these past existences. In the friendly, no-nonsense style that her fans adore, Browne shares amazing and inspiring real-life stories of people who have transformed their lives through understanding their previous existences. *PAST LIVES, FUTURE HEALING* takes readers on another fascinating odyssey into the other side. And like her earlier books, this will not only help people lead more satisfying and fulfilling lives, but will illuminate a hitherto unknown path to overcoming many of the most frustrating and devastating physical and emotional problems that can occur in life.

Prophecy Sylvia Browne, Lindsay Harrison, 2005-07-05 World-renowned psychic and bestselling author of *End of Days* Sylvia Browne turns her psychic wisdom to the puzzling, often contradictory predictions proposed by major historical and contemporary figures, ranging from Biblical prophets, to Nostradamus, to President George Washington, to NASA scientists. Sylvia Browne, the psychic who offered eerily accurate predictions of our current days, examines what the future holds for us in this guide to the most famous—and notorious—prophetic voices throughout the ages. Browne offers a clear and fascinating vision of the world as it will be from five years into the future to five hundred, with a startling and revealing look into the future of our nation and our world—and a beacon of hope and inspiration in these uncertain times. “I’ve personally witnessed Sylvia Browne bring closure to distraught families, help the police close cases, and open people’s hearts to help them see the good within themselves.”—Montel Williams

End of Days Sylvia Browne, 2008 Addresses the most daunting and difficult predictions about the human race, commenting on all the *End of Days* prophecies and offering insight into what can be done to prevent a catastrophe of biblical proportions.

**Conversations with the Other Side** Sylvia Browne, 2009-11-24 This book is a dissertation on life, afterlife, and reincarnation given by Sylvia Browne's spirit guide, Francine. Within these pages, you'll find a 'gnostic' view of the world and the reason for life. As always, we encourage the reader to 'take what you like and leave the rest behind.' No single work can fully capture this enormous topic. We simply offer this book as a resting point in your lifelong search. Our goal, and hopefully yours, too, is to stimulate your mind to seek God - however you wish. We don't intend to replace your belief system. Rather,

we only hope to expand your view to include areas not yet explored. Each person will find and understand God in their own way. This book offers one path, among billions, to find God.

*The Sylvia Browne Book Collection* Sylvia Browne, 2007-10 Sylvia Browne's Book of Angels Sylvia talks about her personal experiences with angels, presents extensive research on the subject, and offers heartwarming stories by numerous contributors. Today, as the nightly news reports one disaster after another, books, TV shows, and movies are filled with tales of angels. Is it mere coincidence, or are angels making their presence more actively known? In these chaotic times, this work makes sense of it all—offering us reassuring messages from these beings of light who surround us each day. *Secrets & Mysteries of the World* Using a combination of information from her spirit guide Francine as well as her own incredible psychic powers, Sylvia augments current scientific research to provide us with detailed explanations about seemingly inexplicable concepts. From the Great Pyramid to Stonehenge, Sylvia reveals amazing facts about some of the world's most mysterious sites. The truth behind sacred and controversial topics such as the Shroud of Turin, the Holy Grail, and the lost years of Jesus are also brought to light; and fascinating and mystifying subjects such as crop circles, vampires, voodoo, Atlantis, extraterrestrials, Easter Island, and many more are examined and clarified. Sylvia tears away the obscure and timeworn explanations that hide the underlying truths about these phenomena, taking us on a fabulous journey that unlocks the secrets and mysteries that surround us in this “wonder-full” world. *If You Could See What I See* This enlightening book contains the Gnostic tenets of Sylvia's church, the Society of Novus Spiritus, and is a map of our charts—regardless of what spiritual path we follow. It has taken many years of research to put together this information, but as we go deeper, we can see that this book carries within it the very heart of humankind's search for our own spirituality. Sylvia has also included many details from her own personal journey, which she feels is comparable to the quest that each of us follows to find our own God-center. As we travel on this road, we can realize that long-forgotten yet inherent goal of viewing our life on Earth as our path to God.

Insight Sylvia Browne, 2006-07-25 Her most personal book to date, *Insight* is Sylvia Browne's candid exploration of her fifty years of psychic readings. Covering a wide variety of subjects, *Insight* is Sylvia's generous reflection about being a psychic and how she discovered the compassion to nurture each and every one of her clients throughout her unique and distinguished career.

Sylvia is a true inspiration. — Jeanne Cooper, star of The Young and the Restless Reaching deep beneath the surface of her life—then and now—renowned psychic and #1 New York Times bestselling author Sylvia Browne ( The Other Side and Back) candidly discusses details of her professional and personal experiences that she's never publically revealed before.

**Exploring the Levels of Creation** Sylvia Browne, 2009-10-05 EXPLORING THE LEVELS OF CREATION: Have you ever wondered about life and creation? Is there existence after death? Why do we have to go through such trials and tribulations here on Earth? Why do we have thoughts and dreams that run from the sublime to the bizarre? Why do goodness and evil go hand in hand in life ... or do they? The answers to these questions and more are brought to light by author and spiritual teacher Sylvia Browne. Once again, she shares her psychic gifts and years of research in order to enlighten us and give us more insights into God and the realities of life. This time she tackles the structure of creation by showing us that there really is purpose and order in our seemingly chaotic world. She outlines the levels of physical incarnation, along with the reality of the afterlife and the heretofore-unexplored "lower levels" of creation. From the wondrous and weird lower levels, to the everyday intricacies of life on this planet, to the beautiful and perfect Other Side, Sylvia takes us on another journey of exploration and truth. This is a book that explains all levels of life ... as only Sylvia can!

**Psychic** Sylvia Browne, 2010-05-25 At the age of seventy-three, New York Times bestselling author Sylvia Browne is ready to tell the whole story of her extraordinary life. In *Psychic*, we meet the woman behind the public figure: from the child receiving her first visits from the spirit world to the teenager doubting her own sanity; from the new mother living through staggering highs and lows to the burgeoning celebrity, and, ultimately, the successful, happily married woman she is today. Filled with never-before-told stories and otherworldly encounters, *Psychic* is a riveting account of how Sylvia Shoemaker, a traditional girl from Missouri, became world-famous psychic Sylvia Browne. Nothing is off-limits. Sylvia tells the little-known truths behind her three failed marriages—including physical abuse, bankruptcy, and legal troubles—and the financial and emotional damage they wreaked. She revisits her personal demons and describes her physical challenges, including her relatively recent discovery that she'd suddenly gone blind in one eye. And then there is the greatest surprise of all: Sylvia tells how, once she had reached her seventies, and believed her romantic life was over, the real Mr. Right finally—impossibly—showed up. While the press has freely, often bitterly, weighed in on Sylvia's most painful stories, she has remained quiet—until now. Unlike any other book Sylvia has written, *Psychic* reaches deep beneath the surface of her life, including professional and personal experiences that she is sharing publicly for the first time. With candor, warmth, and a great deal of humor, Sylvia Browne has written the singularly captivating tale of a life lived in two worlds, filled equally with harsh earthly realities and mesmerizing spiritual insights.

Sylvia Browne's Book of Angels Sylvia Browne, 2009-12 The arts abound with inspiring portrayals of angels, nearly every religion includes some description of these celestial beings in their teachings, and people from all cultures and geographic locations believe in them and their miraculous powers. But do angels really exist? Can we call upon them when we need them? What do they look like? Why are ...
