Desensitizer Kaero Davis, 2017-07-19 This book is a fictional work of nonfictional experiences, thoughts, feelings, and emotions of a man in an attempt to survive his case of paranoid schizophrenia. It is an all-extreme, no-limit, and anything-goes guide through madness, youthful senility, and dementia to the safe and secure sanctuary of sanity. It is of lessons learned the hard way summarized into a poetic flow for therapeutic release and, ironically, entertainment. From the highest of highs to the deadliest of lows, this book is intended to be read with an open mind and an open heart for full effect—to touch, to teach, inform, or instruct of difficulties and differences we all face as we interact and commune with various others.
