## Justus Roux

**The Complete Dom/Sub Trilogy** Justus Roux, 2013-12 This is Justus Roux's bestselling Dom/sub trilogy. "Mine" - Tara had always been curious about being a submissive and when she read a submissive's journal, which was posted online, she knew this was the lifestyle she wanted to live. She found a club which was owned by a man named Gabriel. After being accepted into the club Tara put herself up for auction without thinking about it. Once at the auction she quickly began to wonder if she had made a mistake. Every man that came up to inspect her did not appeal to her. She couldn't see herself serving them. She was about to give up and hope that whoever won her would at least be gentle. Then she heard his deep voice. The moment she laid eyes on Raven she was mesmerized. Raven had no intention on going to the auction. He was tired of training submissives, which in the end weren't what he needed and he wasn't what they needed. Alex drags Raven to the auction and chooses Tara for him to bid on. It was obvious by how nervous the woman was she was new to this lifestyle and he felt she would be perfect for Raven. Raven reluctantly does what Alex wants and he easily wins the bid for Tara. Now Raven and Tara will embark on a year's journey together. He will teach her everything about this lifestyle and she will be his final hope in staying in this lifestyle. "Surrender to Me" - Michael was starting his journey with Mistress Delilah. He is excited and yet frightened by all of this. He is not like Delilah's perfect submissive Tram, nor any of the other submissives in this community. Michael is not too happy about sharing Delilah with Tram, especially knowing that Tram has already earned her collar. And to make matters even more difficult, Master Gabriel, the owner of the club, seems to adore Delilah. With so many distractions for his Mistress will she be able to give Michael the training he needs. Or is this relationship doomed from the start. "Perfect Submission" - Mistress Delilah was confused by her growing attraction to Master Gabriel. It was more than admiration or lust. Ever since that dream she had about submitting to Master Gabriel, the thought of it consumed her and distracted her from being a good Mistress to Tram and Michael. Delilah decided to ask Master Gabriel to teach her about submission. She had to get this out of her system so that she could focus on her submissives. Master Gabriel was surprised when Delilah asked him to take her on the journey of submission. He had wanted this woman since the moment she became a member of this club. He was the one that gave her Tram and her new submissive Michael. However, he knows training Delilah will not be easy. He must try to control his growing love for her and focus on teaching her about submission.

**The Dom's Submission** Ellis O. Day, 2019-06-30 Terry is rich, attractive and all Dom. When he sees something he likes,

or more accurately, something his d\*\*k likes, he gets it. His woman are hot, successful and experienced in BDSM. Until, he meets Maggie. She's not at all his usual type. She's round, lush and a hot-mess of a woman. It's obvious she doesn't belong at La Petite Mort Club and he can't help following her. She needs someone to look out for her. She's a little rabbit in a club full of predators. When she gets herself into a situation, he has no choice but to rescue her. When he realizes that she's a natural submissive and innocent of the kinkier side of sex, he'll stop at nothing to have. He can't wait to show her how good it'll feel when she surrenders to his desires. Maggie had no idea that the club she was going to was a sex club. She tries not to look, but there are people doing it everywhere. She is not getting turned on by it. Not at all. Really, she isn't. All she has to do, is find her friend and get out of there. Of course, that's easier said than done. Not only has she bumped into just about every person in the club, but one of the men—a very handsome and extremely rude stranger—not only follows her, but suggests that they do it in the hallway. As if she'd ever do something like that. She's a recently divorced, mother of three, not some wild, young woman. She tells him, in no uncertain terms, what she thinks of his suggestion but then, she finds herself in a dangerous situation. Will the rude stranger save her, or will he turn out to be even more dangerous than the others?
