Vittorio Messori

Kidnapped by the Vatican? Vittorio Messori, 2017-08-31 In 1888 Fr. Edgardo Mortara wrote his autobiography so that the world would understand he had not been kidnapped by the Vatican. Here, along with a thorough introduction by Vittorio Messori, his story is published for the first time in English. As an infant, Mortara was on the point of death and secretly baptized by a Catholic servant employed by his family. He recovered his health, and in the Papal States where his family lived, the law required that he, like other baptized children, receive a Christian education. After several failed attempts to persuade his parents to enroll him in a local Catholic school, in 1858 Pope Pius IX had the boy taken from his family in Bologna and sent to a Catholic boarding school in Rome. There the child grew in Faith and eventually responded to the calling to become a Catholic priest. The Mortara Case reverberated around the world. Journalists, politicians, and Jewish leaders tried to pressure Pius IX to reverse his decision. The pope's refusal to do so was used as one of the reasons to dissolve the Papal States in 1870. Currently the case is being used as an argument against the canonization of Pius IX, whom John Paul II beatified in 2000.

Writing for Justice Elina Mortara, 2015-10-22 In *Writing for Justice*, Elina Mortara presents a richly layered study of the cultural and intellectual atmosphere of mid-nineteenth-century Europe and the United States, through close readings of the life and work of Victor Séjour, an expat American Creole from New Orleans living in Paris. In addition to writing *The Mulatto*, an early story on slavery in Saint-Domingue, Séjour penned *La Tireuse de cartes* (*The Fortune-Teller*, 1859), a popular play based on the famed Mortara case. In this historical incident, Pope Pius IX kidnapped Edgardo Mortara, the child of a Jewish family living in the Papal States. The details of the play's production - and its reception on both sides of the Atlantic - are intertwined with the events of the Italian Risorgimento and of pre - Civil War America. *Writing for Justice* is full of surprising encounters with French and American writers and historical figures, including Hugo, Hawthorne, Twain, Napoleon III, Garibaldi, and Lincoln. As Elina Mortara passionately argues, the enormous amount of public attention received by the case reveals an era of underappreciated transatlantic intellectual exchange, in which an African American writer used notions of emancipation in religious as well as racial terms, linking the plight of blacks in America to that of Jews in Europe, and to the larger battles for freedom and nationhood advancing across the continent. This book will appeal both to general readers and to scholars, including historians, literary critics, and specialists in African American studies, Jewish,

Catholic, or religious studies, multilingual American literature, francophone literature, theatrical life, nineteenth-century European politics, and cross-cultural encounters.

Il caso Mortara Daniele Scalise,1997 Narrates the case of Edgardo Mortara, a Jewish child who, in 1858, at the age of six, was taken from his family by the pontifical police under orders from the Bologna Inquisitor Pier Gaetano Feletti. The abduction was due to the boy's having been baptized by a Christian maid, Anna Morisi, when as an infant he was gravely ill and she wished to help him recover. The child was taken to the Casa dei Catecumeni in Rome. He never returned to his parents, despite the intervention of Italian officials, of Jewish communities world-wide, and of the governments of several countries. The Church changed Edgardo's name to Pie Pillon, sent him to France, and provided him with an education. In 1873 he was ordained as a priest in Poitiers (France). The appendix (pp. 207-222) contains a description of other cases of forced conversion in Italy and in other European countries after the Mortara Affair.

Storia dell'ebreo errante Riccardo Calimani,1987 A history of the Jews in the diaspora from 175 BCE to the beginning of the 20th century. Traces the history of European Jewry from the roots of Christian antisemitism, dealing with the Crusades, the Black Death, the Inquisition, the ghettos of medieval Europe and their influence on the Haskalah movement (moving out of the ghetto), the ideological debate following various antisemitic events during the 19th century (such as the Damascus blood libel, the Mortara and Dreyfus Affairs) and, finally, the evolution of Eastern European antisemitism. This culminated in the pogroms which inspired the creation of the mass emigration, and the Bundist and Zionist movements. These would subsequently seal the fate of European Jewry in the 20th century.
