The Women's Movement and the Rise of Feminism Nicole Horning, 2018-07-15 What is feminism? How has the global fight for women's rights changed from the time of suffragettes to the women's marches held around the world in 2017? As readers explore the answers to these questions, they discover the challenges women have faced in their quest for equality. With annotated quotes, sidebars, and primary sources enhancing the engaging main text, readers are given a comprehensive look at how women in various countries have fought for equal rights. A detailed timeline highlights crucial dates in feminist history, helping provide context as readers gain a deeper appreciation for this timely topic.

Women in Popular Culture Laura L. Finley, 2023-03-24 Including more than 300 alphabetically listed entries, this 2-volume set presents a timely and detailed overview of some of the most significant contributions women have made to American popular culture from the silent film era to the present day. The lives and accomplishments of women from various aspects of popular culture are examined, including women from film, television, music, fashion, and literature. In addition to profiles, the encyclopedia also includes chapters that provide a historical review of gender, domesticity, marriage, work, and inclusivity in popular culture as well as a chronology of key achievements. This reference work is an ideal introduction to the roles women have played, both in the spotlight and behind it, throughout the history of popular culture in America. From the stars of Hollywood's Golden Age to the chart toppers of the 2020s, author Laura L. Finley documents how attitudes towards these icons have evolved and how their influence has shifted throughout time. The entries and essays also address such timely topics as feminism, the #MeToo movement, and the gender pay gap.

Feminism for Women Julie Bindel, 2021-09-02 'Timely, necessary and important' J.K. Rowling '[This book is] guaranteed to remind us what we have still to fight for. I can't think of a single person who wouldn't benefit from reading it' Observer 'Bindel is a rock star of second-wave feminism . . . an important, courageous book' The Times 'Bindel delivers a robust call to arms in every chapter . . . this book could not be timelier . . . As a young feminist who has finally seen the light, I consider it essential reading' The Critic Feminism is a quest for the liberation of women from patriarchy. Feminism strives for a world in which women are not oppressed. Feminism prioritises exposing and ending male violence towards women and girls. This is Julie Bindel's feminism, a definition born of 40 years at the front line of the feminist movement. Why then, she asks, is feminism the only social justice movement in the world that is expected to prioritise every other issue before pursuing its own objective of women's liberation? Why does the movement appear to be moving backwards, accommodating the rights and feelings of men and leaving women in the cold? Women make up half the global population yet why is feminism still treated as a minority movement? In this searing and ground-breaking book, Bindel deconstructs the many pervasive myths about feminism - Do women really want what men have? Can men be feminists? Are women liberated by sexual violation? - assessing whether feminism has achieved its goals and debunking theories that second wave feminism is irrelevant and one-dimensional. Bindel shines a light on the most important issues, including pornography, sexual violence and prostitution. Drawing on Bindel's own experiences, as well as countless interviews with women and girls of all ages and backgrounds (as well as contributions from commentators such as Gloria Steinem and Chimamanda Ngozi Adichie), *Feminism for Women* presents a clear-sighted view of why feminism is a proud social movement that every woman on the planet benefits from. The invisible forces of misogyny affect us all. This book is a call to arms to reclaim feminism for all women. Only together can we resist and overcome.

Defining Identity and the Changing Scope of Culture in the Digital Age Novak, Alison, El-Burki, Imaani Jamillah, 2016-05-19 Since the popularization of Internet technologies in the mid-1990s, human identity and collective culture has been dramatically shaped by our continued use of digital communication platforms and engagement with the digital world. Despite a plethora of scholarship on digital technology, questions remain regarding how these technologies impact personal identity and perceptions of global culture. *Defining Identity and the Changing Scope of Culture in the Digital Age* explores a multitude of topics pertaining to self-hood, self-expression, human interaction, and perceptions of civilization and culture in an age where technology has become integrated into every facet of our everyday lives. Highlighting issues of race, ethnicity, and gender in digital culture, interpersonal and computer-mediated communication, pop culture, social media, and the digitization of knowledge, this pivotal reference publication is designed for use by scholars, psychologists, sociologists, and graduate-level students interested in the fluid and rapidly evolving norms of identity and culture through digital media.

The Truth Will Set You Free, But First It Will Piss You Off! Gloria Steinem, 2019-11-05 Gloria Steinem's most powerful and pithy quotes, with reflections and an introduction by the feminist icon herself, in a stunningly illustrated collection. An illustrated collection of Gloria Steinem's most inspirational and outrageous quotes, with an introduction and essays by the feminist activist herself 'When the path is dark, Gloria's words light the way forward.' - Natalie Portman For decades, people around the world have found guidance, humour and unity in Gloria Steinem's gift for creating quotes that offer hope and inspire action. From her early days as a journalist and feminist activist, Steinem's words have helped generations to empower themselves and work together. Covering topics from relationships ('Many are looking for the right person. Too few are trying to be the right person.') to the patriarchy ('Men are liked better when they win. Women are liked better when they lose. This is how the patriarchy is enforced every day.') and activism ('Revolutions, like trees, grow from the bottom up.'), this book will make you want to laugh, march and create quotes of your own. *The Truth Will Set You Free, But First It Will Piss You Off!* is both timeless and timely, a gift of hope from Steinem to readers, and a book to share with friends. 'Gloria has a profound knack for expressing ideas in ways that stick with you.' - Emma Watson

Girlish Alana Wulff, 2019-07-30 TRUTH BOMB: Being a girl freakin' rocks! But that doesn't mean it's always easy. Sometimes you need inspiration, support, and advice to help you find your voice and believe in yourself. *Girlish* is a fun, feisty, information-packed handbook—part discovery course, part interactive journal—filled with quotes, tips, truth bombs, and profiles of amazing women from all walks of life, from Ruth Bader Ginsberg and Amy Poehler to Malala Yousafzai and Simone Biles. Embracing all the beauty, chaos, hope, and frustration of being a girl in the twenty-first century, *Girlish* explores life topics that include gender equality, body positivity, self-esteem, relationships, friendship, and even dealing with the mixed bag of the internet and social media. Thought-provoking questions dare you to define your values, set goals, dream BIG, and celebrate everything that makes you you. Ready to create, inspire, invent, strive, lead, love—and have some laughs along the way? Read on . . .

Outrageous Acts and Everyday Rebellions Gloria Steinem,2019-02-12 An updated, third edition of the renowned feminist's most diverse and timeless collection of essays, with a new foreword by Emma Watson. Outrageous Acts and Everyday Rebellions has sold over half a million copies since its original publication in 1983, acclaimed for its witty, warm, and life-changing view of the world, as if women mattered. Steinem's truly personal writing is here, from the now-famous exposé, I Was a Playboy Bunny, to the moving tribute to her mother Ruth's Song (Because She Could Not Sing It). Her prescient essays on female genital mutilation and the difference between erotica and pornography that are still referenced and relevant today, and the hilarious satire, "If Men Could Menstruate" resonates as much as ever. As Watson writes of Steinem in her foreword, "She makes what otherwise can be arduous and depressing reading into something not only relatable, but also enjoyable... Her plain common sense, calling things out as they are, will make you laugh out loud. This is her superpower."

Outrageous Acts and Everyday Rebellions Gloria Steinem,1995-10-15 This phenomenally successful book, which has sold nearly a half a million copies since its original publication in 1983, is Gloria Steinem's most diverse and timeless collection of essays.
