Mary Anne Everett Green

Going Home Wanda E. Brunstetter, 2025-06-01 Nowhere Else to Go But Home. . . Faith Stutzman Andrews ran away from her Amish home in Webster County, Missouri, ten years ago to chase an unusual dream—that of being an entertainer on the English stage. After enduring an abusive marriage, Faith is now widowed and arrives back on her parents' doorstep, hoping they'll provide a stable home for her six-year-old daughter while Faith goes back on the comedy club tour. Will the lure of the English world prove too strong for Faith or will she discover that home is where her future lies? Confirmed bachelor and Christmas tree farmer Noah Hertzler isn't your run-of-the-mill Amish man—he enjoys cooking and often bakes desserts for others, attaching a verse of Scripture to each of his culinary delights in the hopes of soothing the soul as well as nourishing the body. Will Noah's methods grow stale with time, or will he capture Faith's heart before she runs away again? Which dream will Faith ultimately choose—that of having the career she's always wanted or the family she's never had? Other books in the Brides of Webster County series include: On Her Own: Book 2 Dear to Me: Book 3 Allison's Journey: Book 4

Welcome to Last Chance (A Place to Call Home Book #1) Cathleen Armstrong, 2013-08-01 The red warning light on her car dashboard drove Lainie Davis to seek help in the tiny town of Last Chance, New Mexico. But as she encounters the people who make Last Chance their home, it's her heart that is flashing bright red warning lights. These people are entirely too nice, too accommodating, and too interested in her personal life for Lainie's comfort--especially since she's on the run and hoping to slip away unnoticed. Yet in spite of herself, Lainie finds that she is increasingly drawn in to the dramas of small town life. An old church lady who always has room for a stranger. A handsome bartender with a secret life. A single mom running her diner and worrying over her teenage son. Could Lainie actually make a life in this little hick town? Or will the past catch up to her even here in the middle of nowhere? Cathleen Armstrong pens a debut novel filled with complex, lovable characters making their way through life and relationships the best they can. Her evocative descriptions, observational humor, and talent at rendering romantic scenes will earn her many fans.
