**Life Passages for Men** James Wilder,1997-04-04 We assume men grow up. But do they? Dr. Jim Wilder contends that many men never fully mature because they fail to negotiate the passage from boyhood to manhood. An almost equally tragic trend occurs when men never make the transition to grandfathers and elders in their families, churches, and wider

communities.

**Give Sorrow Words** Dorothy Judd,1995 Give Sorrow Words gives an overview of children's attitudes toward death and considers the moral and ethical issues raised by treatments for life-threatening illnesses in children. In this new edition, available for the first time in the United States, Dorothy Judd draws on her increasing experiences with dying children and their parents to refine and clarify her work as presented in the earlier edition. This book helps readers to make sense out of the irreconcilable tension of embracing death as a part of life and accepting the death of a child. Through her work with Robert, a young boy dying of acute myeloblastic leukemia, Judd helps readers to see anew the need to reconcile the two tensions and to make the necessary decisions for medical care.
