**Cow** Jules Older,2013-11-14 Here's a COW quiz (I'll start you off with an easy one): 1. Where is the Brown Swiss cow from? 2. How much milk does a cow produce in a day? 3. Which one of the cow's four stomachs rhymes with Yo! Chase 'em!? The answers to these and many other questions about cows can be found in the amusing but factual book about, you guessed it, COWS! With his clever and humorous text, Jules Older has again collaborated with popular Ben & Jerry's illustrator Lyn Severance. This book is chock-full of facts with rich, bold colors that shouldn't be missed.

*Land Girls & Their Impact* Ann Kramer,2009-04-21 The impact of the land girls cannot be ignored. It was not just that women were working and farms had more women than men, women who were not part of the family or, for some of them, had even lived in the countryside before – but women were wearing trousers and filling in for men, some of whom would never return from war. For the women, their time as land girls changed their lives and how they viewed their own role in society and the family. Using original interviews and photographs from some of these land girls, historian Ann Kramer delves deeper than any previous study to understand the role of the land girls both during and after the Second World War.
