Searching For Paradise T.L. Hughes, 2015-11-11 In his sophisticated debut novel, T.L. Hughes draws on his New England upbringing in an Irish Catholic family to tell the story of his main character, Mike Hogan's, cross country venture from Southern California back to the small mill town where he grew up. The lure of the road reunites Mike and his two travel companions with old friends, family, and acquaintances. As the three friends bounce from place to place, freeloading across the expanses of beautiful America, they see life again through those they once knew and loved and through new friends and experiences. In the process of it all, they rediscover the goodness within themselves that was always there. Searching For Paradise is a coming of age story filled with vivid imagery and resonating musical references to the artists and songs of the 1970s and 1980s. Above all else it is a love story of great depth and beauty. While 'Searching for Paradise' by T. L. Hughes comes to us as a highway story, the book is as much about the elemental pull of tribal roots as it is about the lure of the road. - Paul Marion, The Lowell Sun Beautifully written and engagingly presented, SEARCHING FOR PARADISE is a road trip where the characters drive back to their roots in search of where they came from, but seek to transcend their past lives in search of something more exciting, more attainable, yet more liberating. ~IndieReader Tom Wolfe's admonition that 'you can't go home again' is belayed by the experiences in Searching for Paradise. Sure, you can go home again - and re-view it from the vantage point of new insights and life experiences. Connections between past and present are well done in a story that reveals just where this paradise is to be found. - D. Donovan, Senior Reviewer, Midwest Book Review

When she fails to create food that delights the palate, she hires Liam James—a sexy-as-sin Brit with a flair for cooking. He tries to seduce her with titillating dishes and his charm, but she's vowed to steer clear of romance. Working undercover, Liam's mission is to keep an eye on the teahouse. He poses as a chef to catch the traitor who is leaking UK security secrets. The last thing he wants to do is fall for a suspect, but when sparks fly, the romance starts to feel all too real.

Film, Negation and Freedom Will Kitchen,2023-10-19 Film, *Negation and Freedom: Capitalism and Romantic Critique* explores cinema in relation to the critical tradition in modern philosophy and its heritage in Romantic aesthetics. Synthesising a variety of discursive fields and traditions - including Early German Romanticism, Frankfurt School critical theory and the aesthetic philosophy of Jacques Rancière - *Film, Negation and Freedom* outlines a radical new approach to film by re-examining the work of Arthur Penn and Lindsay Anderson. A distinction between Light and Dark Romanticism is introduced as a means of interpreting cinema's relationship with capitalism, as well as dualistic concepts such as stillness and motion, passivity and activity, pain and pleasure. *Film, Negation and Freedom* revitalises our understanding of modern audio-visual media, as well as the aesthetic, philosophical and political conditions of Romantic subjectivity, artistic practice and spectatorship.
