Fun for Movers Teacher's Book Anne Robinson, Karen Saxby, 2010-03-04 Fun for Movers provides full-colour preparation material for the Cambridge Young Learners English Test: Movers. Fun activities balanced with exam-style questions practise all the areas of the syllabus in a communicative way. The material is specifically designed to focus on those areas most likely to cause problems for young learners at this level. The Fun for Movers Teacher's Book includes creative teaching tips, photocopiable activities, and a full, photocopiable practice test. An Audio CD, available separately, includes listening material to accompany the Student's Book. The website to accompany the series includes interactive versions of some activities from the Student's Books.

Examining Young Learners: Research and Practice in Assessing the English of School-age Learners Szilvia Papp, Shelagh Rixon, 2018 The proposed book on child second language (L2) development and assessment will be a state-of-the-art account of what we currently know about how children learn L2s in formal contexts and how that knowledge impacts on the design, development, and evaluation of language assessment products for young learners. The uniqueness of child L2 development within the classroom is highlighted by considering children's L2 needs, typical patterns of development, and the role of instruction and assessment in how children learn. Common issues shared in child L2 acquisition studies, language testing and educational assessment are explored by linking research carried out within the educational, academic and testing communities. Several case studies are described from different educational contexts around the world where teaching and assessment of young language learners takes place. In particular, the book presents the Cambridge English approach to assessing young learners of English and presents a framework for the development, research and validation activities around the Cambridge English suite battery for children.

Storyfun for Starters Teacher's Book with Audio CD Karen Saxby, 2011-06-16 Enjoyable story-based practice for the Cambridge Young Learners English (YLE) Tests. Storyfun for Starters Teacher's Book includes an Audio CD with recordings of the stories and listening activities from the Student's Book. Teachers can use the stories to capture learners' imagination. Stories are exploited to present YLE tasks in a motivating and easy-to-use way. Each story unit provides enough material to cover between 90-180 minutes class time. Enjoyable activities including games, projects and poems are balanced with exam-style questions to make learning fun. Teaching tips and photocopiable activities are included and teachers can be confident

the test preparation provides coverage of key areas of Cambridge Young Learners English grammar and vocabulary.
