One Italian Summer Rebecca Serle, 2022-03 A moving and unforgettable exploration of the powerful bond between mother and daughter set on the breathtaking Amalfi Coast ... When Katy's mother dies, she is left reeling. Carol wasn't just Katy's mom, but her best friend and first phone call. To make matters worse, the mother-daughter trip of a lifetime looms: two weeks in Positano. Katy has been waiting years for Carol to take her, and now she is faced with embarking on the adventure alone. But as soon as she steps foot on the beautiful Amalfi Coast, Katy begins to feel her mother's spirit. And then Carol appears for real--in the flesh, healthy and sun-tanned ... and thirty years old. Katy doesn't understand what is happening, or how. But over the course of her time in Italy, Katy gets to know Carol in this new form, and soon she must reconcile the mother who knew everything with the young woman who does not yet have a clue. One Italian Summer is Rebecca Serle's next great love story, a transcendent novel about how we move on after loss, and how the people we love never truly leave us--

NYC, Positano, and LA, as seen in her novels* In the modern classic *In Five Years*, “the rare read-in-one-sitting novel you won’t forget” (Chloe Benjamin, New York Times bestselling author) Dannie, an ambitious lawyer, has just nailed the most important job interview of her career and accepted her boyfriend’s marriage proposal. But that night she wakes up in a different apartment with a different man—five years in the future. When she returns to her present, one hour later, Dannie must consider how the future she saw is different from the one she is planning—and whether what she thinks she wants is really what she needs. In this “magical trip worth taking” (Associated Press), *One Italian Summer* follows Katy on a solo adventure to Positano, where her recently deceased mother Carol spent the summer right before she met the love of her life. While on the trip to grieve her mother (and best friend and first phone call)...Carol suddenly appears—healthy, sun-tanned, and thirty years old. As Katy and Carol explore Positano together, Katy will be forced to reconcile the mother who knew everything with the young woman she’s just met. In *Expiration Dates*, “a passionate story about love and trust” (People), every time Daphne meets a new man, she receives a slip of paper with his name and a number on it—the exact amount of time they will be together. But when she receives a blank piece of paper on the eve of a blind date, she embarks on a relationship that has her doubting the paper’s prediction and wrestling with what it means to both trust fate, and follow your heart.

One Italian Summer Pip Williams, 2023-04-26 Pip and Shannon dreamed of living the good life. They wanted to slow down, grow their own food, and spend more time with the people they love. But jobs and responsibilities got in the way: their chooks died, their fruit rotted, and Pip ended up depressed and in therapy. So they did the only reasonable thing - they quit their jobs, pulled the children out of school and went searching for la dolce vita in Italy. *One Italian Summer* is a warm, funny and often poignant story of a family's search for a better way of living in the homes and on the farms of strangers. Pip sleeps in a woodshed, feasts under a Tuscan sun, works like a tractor in Calabria and, eventually, finds her dream - though it's not at all the one she expected.

One Hot Italian Summer Karina Halle,2020-07-17 After the death of her best friend and writing partner, Grace Harper is struggling both with grief, and with her next novel, the first one she'll have to write alone.Fortunately, her new powerhouse

agent, the formidable Jana Lee, has a solution for her. She can stay at her villa in Tuscany for a month, soak in the sunshine, relax, and find her confidence again. After all, Jana has a lot riding on Grace's next book, and the last thing she wants is for her reputation as a super-agent to be tarnished. At first the villa is a dream come true for Grace - that is until Claudio Romano shows up one day with his ten-year old son, Vanni, in tow. Turns out, this is Claudio's house, and Claudio happens to be her agent's ex-husband from long ago. Thanks to their annual father and son bonding trip being cancelled, Claudio and Vanni are here to stay. So is Grace. With the three of them sharing the same house, Grace's writing plans are thrown out the window. But even if she's not pounding the keyboard, she's still finding beauty and inspiration... in none other than Claudio. He's unlike any man Grace has met before. He's smart, charming, and wickedly sexy, plus a great father to Vanni. He'd be the perfect summer fling - if only he wasn't completely off-limits. But as the hot Italian summer wears on, Grace and Claudio are destined to succumb to the heat, no matter how hard they try to resist each other. One steamy encounter with Claudio could affect Grace's chances of starting her career over. Or he could be exactly what she needs.

Expiration Dates Rebecca Serle, 2024-03-19 The New York Times bestselling author of *In Five Years* and *One Italian Summer* returns with “a romantic gem” (Laura Dave, New York Times bestselling author) about a young woman who decides to finally live for herself rather than rely on the universe for answers. Now featuring bonus content! Daphne Bell believes the universe has a plan for her. Every time she meets a new man, she receives a slip of paper with his name and a number on it—the exact amount of time they will be together. The papers told her she’d spend three days with Martin in Paris; five weeks with Noah in San Francisco; and three months with Hugo, her ex-boyfriend turned best friend. Daphne has been receiving the numbered papers for over twenty years, always wondering when there might be one without an expiration. Finally, the night of a blind date at her favorite Los Angeles restaurant, there’s only a name: Jake. But as Jake and Daphne’s story unfolds, Daphne finds herself doubting the paper’s prediction, and wrestling with what it means to be both committed and truthful. Because Daphne knows things Jake doesn’t, information that—if he found out—would break his heart. “Daphne’s sometimes heart-wrenching, often heartwarming search for meaningful relationships, both romantic and platonic, is sure to inspire” (Publishers Weekly, starred review) new and longtime fans of Rebecca Serle.

Our Italian Summer Jennifer Probst, 2021-01-12 Three generations of women in the Ferrari family must heal the broken pieces of their lives on a trip of a lifetime through picturesque Italy from New York Times bestselling author Jennifer Probst Workaholic, career-obsessed Francesca is fiercely independent and successful in all areas of her life except one: family. She struggles to make time for her relationship with her teenage daughter, Allegra, and the two have become practically strangers to each other. When Allegra hangs out with a new crowd and is arrested for drug possession, Francesca gives in to her mother's wish that they take one epic summer vacation to trace their family roots in Italy. She just never expected to face a choice that might change the course of her life. . . Allegra wants to make her grandmother happy, but she hates the idea of forced time with her mother and vows to fight every step of the ridiculous tour, until a young man on the verge of priesthood begins to show her the power of acceptance, healing, and the heartbreaking complications of love. Sophia knows her girls are in trouble. A summer filled with the possibility for change is what they all desperately need. Among the ruins of ancient Rome, the small churches of Assisi, and the rolling hills of Tuscany, Sophia hopes to show her girls that the bonds of family are everything, and to remind them that they can always lean on one another, before it's too late.
