Historias insólitas de la historia argentina (Edición Actualizada) Daniel Balmaceda,2012-05-01 La edición definitiva del libro más divertido que se haya publicado sobre historia argentina de los siglos XIX y XX. Daniel Balmaceda logra transmitir entusiasmo por la historia. Los veintitrés hijos de Urquiza; por qué la ex confitería Del Molino se llama así y qué tiene que ver con un francés que viajaba en globo; la primera gobernadora de facto; corridas de toros en la 9 de Julio; la maestra que inventó el guardapolvos blanco; cuando el zoológico era una pensión para Onelli y se fue a vivir allí; cuando Quinquela Martín niño pintaba con el carbón que vendía su padre adoptivo; el día que el presidente Julio A. Roca fue guardavidas; quién fue el Rin Tin Tin de nuestras pampas; la negra María Haedo de Acosta que murió a los 127 años, son solo algunas de las anécdotas que recopila esta edición.

Boletín bibliográfico Universidad Nacional Mayor de San Marcos. Biblioteca,1922 Contains bio-bibliographical notices, lists of additions to the library.

Encyclopedia of Twentieth-Century Latin American and Caribbean Literature, 1900-2003 Daniel Balderston,Mike Gonzalez,2004-02-12 The Encyclopedia of Twentieth-Century Latin American and Caribbean Literature, 1900-2003 draws together entries on all aspects of literature including authors, critics, major works, magazines, genres, schools and movements in these regions from the beginning of the twentieth century to the present day. With more than 200 entries written by a team of international contributors, this Encyclopedia successfully covers the popular to the esoteric. The Encyclopedia is an invaluable reference resource for those studying Latin American and/or Caribbean literature as well as

being of huge interest to those following Spanish or Portuguese language courses.

Jurisprudencia argentina ,1929

The Argentine Folklore Movement Oscar Chamosa,2022-05-10 Oscar Chamosa brings forth the compelling story of an important but often overlooked component of the formation of popular nationalism in Latin America: the development of the Argentine folklore movement in the first part of the twentieth century. This movement involved academicians studying the culture of small farmers and herders of mixed indigenous and Spanish descent in the distant valleys of the Argentine northwest, as well as artists and musicians who took on the role of reinterpreting these local cultures for urban audiences of mostly European descent. Oscar Chamosa combines intellectual history with ethnographic and sociocultural analysis to reconstruct the process by which mestizo culture—in Argentina called criollo culture—came to occupy the center of national folklore in a country that portrayed itself as the only white nation in South America. The author finds that the conservative plantation owners—the “sugar elites”—who exploited the criollo peasants sponsored the folklore movement that romanticized them as the archetypes of nationhood. Ironically, many of the composers and folk singers who participated in the landowner-sponsored movement adhered to revolutionary and reformist ideologies and denounced the exploitation to which those criollo peasants were subjected. Chamosa argues that, rather than debilitating the movement, these opposing and contradictory ideologies permitted its triumph and explain, in part, the enduring romanticizing of rural life and criollo culture, essential components of Argentine nationalism. The book not only reveals the political motivations of culture in Argentina and Latin America but also has implications for understanding the articulation of local culture with national politics and entertainment markets that characterizes contemporary cultural processes worldwide today.
