*The Life of William Carey, D. D.* George Smith,1887

*Feeding the People* Rebecca Earle,2020-06-25 Potatoes are the world's fourth most important food crop, yet they were unknown to most of humanity before 1500. *Feeding the People* traces the global journey of this popular foodstuff from the Andes to everywhere. The potato's global history reveals the ways in which our ideas about eating are entangled with the emergence of capitalism and its celebration of the free market. It also reminds us that ordinary people make history in ways that continue to shape our lives. *Feeding the People* tells the story of how eating became part of statecraft, and provides a new account of the global spread of one of the world's most successful foods.

*Secrets of Greatness* Dr. Barrington O. Burrell,2014-05-27 In *Secrets of Greatness*, Dr Burrell provides us with a route map to success of the very highest order, consistent with the greatest model of success known to us, Jesus Christ. Based upon an intimate study of the Old and New Testaments, and a lifetime's work as a pastor, and drawing together such disparate threads as psychology, biology, history and motivational dynamics, Dr Burrell gives his readers a meticulous and definitive explanation of the essence of greatness and how it is within the capability of each and every one of us to achieve more than we ever thought possible. A thorough and passionate exploration of what it means to be great, using examples of great men and women through the ages, *Secrets of Greatness* decries the notion that true success lies in power, money and status, and illustrates instead that the pinnacle of human achievement is attainable only through the transformative and healing power of our relationship with God. In each chapter and section, the author shines a light on a different aspect of the process of becoming what we are destined to be in the Creator's great plan for us, and illuminates the spaces through which we all must travel on our journey to greatness. Dr Burrell explores his subject with the keen mind of a scholar, the compassion of a man of God and the tenacity of a warrior, and has written a book which is as uplifting as it is useful. It is a book which can only fill us with hope for the future. *Secrets of Greatness* is a corrective for our secular age - a spiritual book in materialistic times - and a tonic for all those who thirst for a different measure of success than is commonly presented in our media.

In Love with Bangladesh Jill Hanson Flatt, 2013-12 I tall people I have one aunty. Name jill she raised me when I little boy. She loves me so much. I am not forget her. Everytime I remember her love and care. David Das from Home of Joy Jill's story has reconfirmed a long-held personal belief-that missionaries aren't 'normal.' They are ordinary people who have allowed God to set their heart on fire with a passion for the lost and needy. They are willing to endure personal pain and hardship for the sake of their mission, and even if they return from the mission field, a part of their heart will never return with them. Jill's openness in sharing all the ups and downs of her missionary journey will make this book a valuable resource for anyone who feels called to cross-cultural ministry, and it will also be a source of inspiration to all of us who long to reach our world with the love of Jesus Christ. -Pastor Monte LeLaCheur, Turning Point Open Bible Church This journey with Christ is certainly an adventure. God gave me a love for His people in Bangladesh, not unlike the love he has for us-relentless. The Lord led me in and out of Bangladesh, each time under dramatic circumstances. Over a period of years, I was blessed to be a part of starting three medical clinics, while living at two different orphanages, taking care of hundreds of children who called me Auntie or Amma. God gave His love to them through my willing heart. I had prayed that God would break my heart with the things that break the heart of God. That prayer was answered in ways that were never expected.
