

Star Cursed Elizabeth Briggs

Leslie Halliwell

Star Cursed Elizabeth Briggs, 2024-03 My fated mate rejected me, and now he wants me back. I'd rather die. I'm being held captive by my worst enemies, the Leo pack. My fated mate is their new alpha, and he says he has big plans for me. For us. But no matter how much the mate bond tries to convince me he's the one, there's another man I can't stop thinking about: the alpha of the lost pack. My new pack. Kaden thinks I went willingly with my mate and turned my back on him. I don't know if he's coming for me, but I'm not giving up 'til I find my way back to him-and to my new family. I'm an Ophiuchus. I'm Moon Touched. And my enemies have underestimated me for far too long. Star Cursed is the second book in the scorching hot Zodiac Wolves series.

Cursed Britain Thomas Waters, 2019-10-07 The definitive history of how witchcraft and black magic have survived, through the modern era and into the present day Cursed Britain unveils the enduring power of witchcraft, curses and black magic in modern times. Few topics are so secretive or controversial. Yet, whether in the 1800s or the early 2000s, when disasters struck or personal misfortunes mounted, many Britons found themselves believing in things they had previously dismissed – dark supernatural forces. Historian Thomas Waters here explores the lives of cursed or bewitched people, along with the witches and witch-busters who helped and harmed them. Waters takes us on a fascinating journey from Scottish islands to the folklore-rich West Country, from the immense territories of the British Empire to metropolitan London. We learn why magic caters to deep-seated human needs but see how it can also be abused, and discover how witchcraft survives by evolving and changing. Along the way, we examine an array of remarkable beliefs and rituals, from traditional folk magic to diverse spiritualities originating in Africa and Asia. This is a tale of cynical quacks and sincere magical healers, depressed people and furious vigilantes, innocent victims and rogues who claimed to possess evil abilities. Their spellbinding stories raise important questions about the state's role in regulating radical spiritualities, the fragility of secularism and the true nature of magic.
