An Encyclopedia of Swearing Geoffrey Hughes,2015-03-26 This is the only encyclopedia and social history of swearing and foul language in the English-speaking world. It covers the various social dynamics that generate swearing, foul language, and insults in the entire range of the English language. While the emphasis is on American and British English, the different

major global varieties, such as Australian, Canadian, South African, and Caribbean English are also covered. A-Z entries cover the full range of swearing and foul language in English, including fascinating details on the history and origins of each term and the social context in which it found expression. Categories include blasphemy, obscenity, profanity, the categorization of women and races, and modal varieties, such as the ritual insults of Renaissance flyting and modern sounding or playing the dozens. Entries cover the historical dimension of the language, from Anglo-Saxon heroic oaths and the surprising power of medieval profanity, to the strict censorship of the Renaissance and the vibrant, modern language of the streets. Social factors, such as stereotyping, xenophobia, and the dynamics of ethnic slurs, as well as age and gender differences in swearing are also addressed, along with the major taboo words and the complex and changing nature of religious, sexual, and racial taboos.

Sorting Out Sid Yashodhara Lal, 2014-01-15 A hilarious and insightful perspective on modern-day living and relationships - from within a man's head! Siddharth Agarwal, a.k.a. Sid, looks all set in life - after all, he has been married for a good long ten years, has a bunch of close friends. And, he is slated to become the youngest VP in his company at the young age of 36. Of course, he is in denial about the fact that his life is slowly falling apart, with his marriage on the rocks, parents who treat him as if he is still twelve years old, and his overly-interfering and back-stabbing best friends. Then, there's the manipulative HR vixen and the obnoxious boss in that office which sells ... wait for it ... toilet cleaners. When lovely, pocket-sized, spunky single mom Neha materializes into his life, it appears that there's some hope. Or is it just the calm before the storm? Who said it would be easy sorting out Sid?

The Fiction Collection, 2007 For some years now, it's been happy season for books and publishing in India. But the most enduring success story in English-language trade publishing in the country indeed in all of Asia began long before this.

The present gold rush owes a great deal to the foresight of Penguin, easily the most prestigious global publisher, which made a home here when the world wasn't yet in thrall to the Indian market. Penguin India began operating at a time when trade publishing in English was virtually unknown in the country. The company launched its local programme in 1987 with seven titles: two novels in English and one in translation from Bengali, two biographies, a travelogue and a book of poems. Two decades on, it publishes 200 new books annually across a wide range of genres. Along the way, it has published authors from every country in the Subcontinent. In 2005, with the launch of its Hindi list, Penguin became the first global publisher to publish in an Indian language other than English, and now releases over sixty titles every year in Hindi, Marathi, Malayalam and Urdu. When it was set up in a two-bedroom flat in New Delhi, Penguin India's most valuable asset was a boardroom table made of teak, at which strategies were devised, contracts signed and commitments made. Today, the table is no longer listed among the company's assets. Instead, it can boast the finest list of Indian authors (or authors of Indian origin) anywhere in the world. And the list keeps growing: among the long-admired names we'll publish in the coming months are Kamala Markandaya, with her posthumous novel *Bombay Tiger*, and Amitav Ghosh, with his stunning new novel *Sea of Poppies*, the first in a trilogy. Penguin India's publishing remains as vibrant and confidently eclectic as our first clutch of titles promised. Our best authors, our true wealth, have stayed with us through the years, and helped us bring the best in contemporary Indian and international literature to readers everywhere. These commemorative volumes of the finest writing we've published up to our twentieth year are dedicated to each one of them. Showcased here are authors who have topped best-seller charts in India and abroad, and won virtually every major literary prize, including the Nobel Prize, the Jnanpith Award, the Man Booker Prize, the Sahitya Akademi Award and the Commonwealth Writers Prize. It is unlikely you will find a richer, more representative collection of writing from or about South Asia. Now, when virtually every major international trade publisher is present in India, the fastest-growing English-language publishing market in the world, Penguin India remains committed to the vision laid out on that teak table twenty years ago. It is a vision that has ensured that Penguin in India, as in the rest of the world, is the publisher of choice for the best writers and the most discerning readers. And this is exactly how things will be twenty years from now.
