Fifty Years After The Big Sky William E. Farr,William W. Bevis,2001 Writers, historians, and public intellectuals from James Welch and Mary Clearman Blew to Dan Flores, William W. Bevis and Daniel Kemmis explore A. B. Guthrie's life and legacy in Fifty Years after The Big Sky: New Perspectives on the Fiction and Films of A. B. Guthrie, Jr. Best known for his novels, The Big Sky and The Way West and as the author of the screenplay for the movie classic Shane, A. B. Guthrie is a much-loved but under-studied Montana author. There has been almost no serious study of Guthrie's work, until now. This wide-ranging anthology examines this beloved western author in multiple contexts. Essays examine Guthrie's relationship with the movie industry; how the Cold War influenced Guthrie's work; how people in his hometown of Choteau, Montana, and others close to him remember the man; and how the myths that lie at the core of Guthrie's fiction haunt today's Montanans.

Under the Big Sky Jackson J. Benson,2009-01-01 Author of The Big Sky series, The Way West, and the screenplay for the classic Shane, among many other timeless stories of frontier mountain men, icon of Western literature A. B. Bud Guthrie Jr. brought a blazing realism to the story of the West. That realism, which astounded and even shocked some readers, came out of the depth of Guthrie's historical research and an acuity that had seldom been seen in the work of Western novelists. In Under the Big Sky, the latest in his celebrated series of biographies of Western writers, Jackson J. Benson details the life and work of this true giant on the Western literary landscape. The small Montana town that figures in several of Guthrie's books is clearly patterned after the town where he grew up, Choteau, on the eastern front of the Rocky Mountains. Benson illuminates the critical details of Guthrie's upbringing and education, the influence of his intellectually inclined father, his work as a newspaperman in Kentucky, and his time at Harvard University. Animated by the observations of friends, family, and fellow authors, this intimate account offers rare insight into the life and work of a remarkable writer and into the making of the literary West.

The Big Sky Alfred Bertram Guthrie,2002 Relates the adventures of Boone Caudill, a mountain man in the American

West of the mid-nineteenth century.

Playing Catch-Up A. B. Guthrie, 2015-05-26 A ruthless killer preys on the young women of Montana in this tale of suspense from a pioneer of Western fiction Madame Simone runs a brothel on the outskirts of Overthrust, Montana, an oil town just down the road from the ranching community of Midbury. Her business is serene, discreet, and profitable—until one of her girls is murdered. When his other deputies fail to turn up any leads, Sheriff Chick Charleston asks his college-educated colleague Jason Beard to look into the case. Jase immediately uncovers two vital clues: a mysterious stranger who publicly threatened Laura Jane on the night she was killed and a beloved piece of jewelry missing from her personal effects. Just when Charleston and Jase begin to think they are making progress, however, a teenage girl dies under frighteningly similar circumstances. To find the culprit, the sheriff and his deputy must be patient, cunning, and resourceful. Set against the backdrop of a land whose rugged beauty and vast open spaces attract dreamers and criminals alike, *Playing Catch-Up* is an engrossing detective story and a tribute to the unique adventure of small-town life in the West.

The Genuine Article A. B. Guthrie, Jr., 2010-04-01 Not many people in Midbury especially liked F. Y. Grimsley, a rancher with twenty thousand acres and five hundred head of cattle. Still, when Grimsley is found dead on his back doorstep with a mysterious gash on his head, Chief Chick Charleston and his crew have to use their dusty detective skills to root out his killer. They are aided by Deputy Jason Beard, who, though he grew up in Midbury, has been away for two years at college, waiting to go out into the "real world." In their small Montana community, Charleston and Beard must conduct their investigations delicately, ignoring local prejudice, sifting through gossip and speculation, enduring the pressures of higher-ups, dealing with some less-than-savory characters, and eliciting information from those who would prefer not to talk. And, not surprisingly, things get worse before they get better. A second body is discovered, and relations between the sheriff, the Indian reservation, and the town deteriorate until finding the murderer becomes more than just a matter of enforcing the law—it becomes crucial to keeping the peace in this small ranching community. With an entertaining cast of characters and a vivid sense of Montana ranch land, *The Genuine Article* is a page-turning mystery of surprising warmth and humor.

No Second Wind A. B. Guthrie, 2015-05-26 A harsh winter and a heated land dispute make for a deadly combination in this gripping installment of A. B. Guthrie Jr.'s acclaimed mystery series It's forty degrees below zero in Midbury, Montana, and the cattle are dying. Not from the frigid temperatures, but under bizarre circumstances that stir up rumors of blood cults and UFOs. As if that weren't bad enough, a strip-mining company has moved into town with plans to tear apart the land in search of coal. Sheriff Chick Charleston and his loyal sidekick, Jason, try to keep tensions between the outsiders and the locals from boiling over, but when a murder occurs at the Chicken Shack, the miners' local hangout, the situation threatens to spin out of control. To save a community and a way of life that mean everything to them, the sheriff and Jase must track down a killer whose blood runs as cold as a Great Plains winter.

Playing Catch-Up A. B. Guthrie Jr., 2010-10-01 Small-town Montana sheriff Chick Charleston and his highly educated sidekick, Jason Beard, star again in this fourth installation of Guthrie's Montana murder mysteries. This time Jason is helping the sheriff solve the murder of a call girl, and his first step involves him in the unwelcome necessity of interviewing the local madam, whose view of the town is extensive and rather unusual. It also involves him with various drifters and cranks, as well as with the uncooperative police of the neighboring oil town of Overthrust. Weaving a story set against a broad western landscape—from the raw and cheerful locales of the Bar Star and The Gusher to the grand, wide-open spaces—Guthrie's touch is unerring.

Wild Pitch A. B. Guthrie, 2015-05-26 From a Pulitzer Prize-winning novelist of the American West comes the first installment in a mystery series as entertaining as the Montana sky is big A self-made cattle baron with a bad habit of letting his stock graze on his neighbors' property, Buster Hogue has stepped on plenty of toes in Midbury, Montana. But orneriness is a virtue in this rough and beautiful land, and Buster's disputes have always ended amicably—until tonight. Shot in the head at a picnic outside town, the crusty old rancher is rushed to the hospital barely alive. On a night when the moon shone bright enough to take target practice by, no one saw who pulled the trigger or where the bullet came from. With a plethora of motives and no real evidence, Sheriff Chick Charleston sets out to solve his first case of attempted murder. Aided by his eager sidekick, seventeen-year-old local pitching prospect Jason Beard, the sheriff employs every ounce of his wit, intelligence, and intuition to track down the ruthless sniper. The trail ends in a climactic showdown that will change the investigative duo's lives forever. Populated with a colorful cast of local characters and enlivened by a wry humor and A. B. Guthrie Jr.'s keen appreciation for the rhythms of small-town Western life, Wild Pitch is the story of an impossible crime and the two men clever enough to solve it.

Saturday Review of Literature ,1950

Wild Pitch A. B. Guthrie, Jr.,2010-04-01 CRIME & MYSTERY. After Buster Hogue is shot at the annual town picnic, plenty of motives appear, but no clues point to the sniper. A lot of people had reason to dislike Hogue or even to wish him dead but grudges don't count in the absence of evidence. Chick Charleston, the small-town Montana sheriff, has had no experience with this kind of case, the county not having been inclined to homicidal endeavours. But he has patience, persistence, a sense of humour, and a sharp understanding of human nature. He also has a keen assistant in seventeen-year-old Jason Beard, pitcher for the Midbury baseball team and amateur detective, who takes notes and acts as Watson to Charleston's Holmes. A. B. Guthrie Jr. has created a very human and believable sleuth in Chick Charleston, and in Jason Beard a singularly engaging narrator.
