**The Lemon Tree** Sandy Tolan, 2008-12-01 With a new afterword by the author, and a sneak preview of Sandy Tolan's new book, *Children of the Stone* In 1967, Bashir Al-Khayri, a Palestinian twenty-five-year-old, journeyed to Israel, with the goal of seeing the beloved old stone house, with the lemon tree behind it, that he and his family had fled nineteen years earlier. To his surprise, when he found the house he was greeted by Dalia Ashkenazi Landau, a nineteen-year-old Israeli college student, whose family fled Europe for Israel following the Holocaust. On the stoop of their shared home, Dalia and Bashir began a rare friendship, forged in the aftermath of war and tested over the next thirty-five years in ways that neither could imagine on that summer day in 1967. Based on extensive research, and springing from his enormously resonant documentary that aired on NPR's *Fresh Air* in 1998, Sandy Tolan brings the Israeli-Palestinian conflict down to its most human level, suggesting that even amid the bleakest political realities there exist stories of hope and reconciliation.

**The Lemon Tree** Ilil Arbel, Ida Rosenfeld, 2005 The Lemon Tree is the true story of a Siberian pioneer family's extraordinary year-long journey as they transport their late son's tiny lemon tree to Israel. Ten-year-old Sasha has one dying wish: he asks his family to take his lemon tree--the tree he raised from a seed floating in his tea--and plant it in an orchard in Israel. Nothing deters Sasha's family from fulfilling his dream. The Wissotzskys travel on cattle trains through the Trans-Siberian line, become stranded in Shanghai, are shot at by Manchurian officials, and face the constant threat of typhoid fever, as they overcome these and other harrowing obstacles on their 1918 journey. Against all odds, this real-life pioneer family perseveres in their quest to fulfill a child's dying wish. Can the little tropical tree survive the cold, harsh journey?

*The Lemon Tree (Young Readers' Edition)* Sandy Tolan, 2020-11-03 The tale of friendship between two people, one Israeli and one Palestinian, that symbolizes the hope for peace in the Middle East. "Makes an incredibly complicated topic comprehensible."--School Library Journal In 1967, a twenty-five-year-old refugee named Bashir Khairi traveled from the Palestinian hill town of Ramallah to Ramla, Israel, with a goal: to see the beloved stone house with the lemon tree in its backyard that he and his family had been forced to leave nineteen years earlier. When he arrived, he was greeted by one of its new residents: Dalia Eshkenazi Landau, a nineteen-year-old Israeli college student whose family had fled Europe following the Holocaust. She had lived in that house since she was eleven months old. On the stoop of this shared house, Dalia and Bashir began a surprising friendship, forged in the aftermath of war and later tested as political tensions ran high and

Israelis and Palestinians each asserted their own right to live on this land. Adapted from the award-winning adult book and based on Sandy Tolan's extensive research and reporting, *The Lemon Tree* is a deeply personal story of two people seeking hope, transformation, and home.

**The Lemon Tree** Sandy Tolan,2008-09-04 In the summer of 1967, not long after the Six Day War, three young Palestinian men ventured into the town of Ramla in Israel. They were cousins, on a pilgrimage to see their childhood homes, from which they and their families had been driven out nearly twenty years earlier. One cousin had the door slammed in his face, one found that his old house had been converted into a school. But the third, Bashir, was met at the door by a young woman named Dalia, who invited him in... This poignant encounter is the starting point for the story of two families - one Arab, one Jewish - which spans the fraught modern history of the region. In the lemon tree his father planted in the backyard of his childhood home, Bashir sees a symbol of occupation; Dalia, who arrived in 1948 as an infant with her family, as a fugitive from Bulgaria, sees hope for a people devastated by the Holocaust. Both are inevitably swept up in the fates of their people and the stories of their lives form a microcosm of more than half a century of Israeli-Palestinian history. What began as a simple meeting between two young people grew into a dialogue lasting four decades. *The Lemon Tree* offers a much needed human perspective on this seemingly intractable conflict and reminds us not only of all that is at stake, but also of all that is possible.

**The Lemon Tree** R. T. Errill,2014-05 Introducing RT Errill & Destiny, the author and illustrator of a new short story Christian book about the plan of salvation with a twist of lemons. Have you ever seen a lemon tree turn into a lemonade tree? I met someone who did and this is their story. One bag of sugar and her lemons were changed forever! So when life gives you lemons, instead of making lemonade, maybe you can visit your Lemon Tree and see what happens...

**The Lemon Tree** Katherine Graham,2016-07-12 When it's pouring with rain, Gogo decides to pass the time by making some pancakes. But she soon discovers that the family has run out of three important ingredients: flour, eggs and milk. Without those, you can't make pancakes. But clever Gogo has an idea. She sends Lungi and Sipho to a different neighbour to borrow what they need, and to take each of them a gift of lemons from the family's lemon tree in return. And so, due to the kindness of the neighbours, Gogo and the eager children are finally able to make the pancakes. In *The Lemon Tree*, nominated for a prestigious Golden Baobab Prize in 2014, author Katherine Graham tells a simple, moral story with charm and an ability to transport the young reader evocatively into the moment. The story is beautifully illustrated by Wendy Paterson.
