Deliberately Simple Life Quotes Dr. Stephen Zemanek, 2013-06-19 Life can become complex and challenging for all of us. If we are not consciously working towards expanding our thinking we will slide into a tiny life with few options. One of the best ways we can expand our view on life is by considering the thoughts of others. At times the thoughts of others will be proven wrong. At times the thoughts of others will prove themselves to be exceedingly insightful. Regardless of the conclusion we reach about another's view our lives become bigger simply by the act of considering them. Thoughts, ideas, concepts, and humor develop us into the person we are becoming. A world without keen or witty thoughts is drab and empty.

This book is designed to take you through each day of the year with a new thought to consider. Some of these thoughts you will love and others you will disagree with. However, as you read through this book you will discover new ideas to consider each day.

Listen to Me Beth Huffman,2013-08-06 Listen to Me is an inspirational, faith-based book that will often move the reader to tears. It is the story of Kim Brinkman Smith who survived Hodgkin's disease as a sixteen-year-old who had been healthy and in excellent physical shape her entire life. When she was diagnosed with cancer, she was given a 75% chance of surviving. Her chemotherapy regimen was horrific and there were many days when she was so ill from the side effects that she wanted to die. While her friends were caught up in the excitement of cheering at ballgames and buying their prom dresses, Kim wondered if she'd live long enough to attend prom. When her classmates were planning their future careers, Kim was thinking about the wig she'd need to purchase when she lost her beautiful long hair. Kim and her three sisters were raised in a Christian home by faithful, hard-working parents who introduced Christ to the girls at a young age. They provided a firm spiritual foundation that was strengthened by prayer. When Kim was blindsided by the cancer, her parents prayed for

her to have the strength to survive and for her doctors to provide her with the best possible care. Throughout the book, the reader will feel the depth of Kim's prayers and her family's as they did everything they could not to be swallowed up by the fear of the unknown. This was often impossible for Kim to do, especially when she was so ill from the chemo treatments. This book is a love story on so many levels. In a symbolic way, it is the story of God's abundant love for each of us. In a literal way, it is a story of a mother's unconditional love. This certainly applies to Kim's mother who kept the family grounded throughout Kim's ordeal; it also applies to Kim's unconditional love for her two children. On a romantic level, the reader will be hoping that Kim doesn't let Brad (her future husband) get away when she doubts his carefree lifestyle. Author Bio: Beth Huffman is a professional inspirational speaker and retired English teacher from Columbus Grove, Ohio. Listen to Me is her third book. This faith-based memoir is the inspirational story of Kim Brinkman Smith who not only defeated cancer as a teenager but was able to realize her ultimate dream in becoming a mother. This dream came at a great cost emotionally when her daughter was born with a hearing impairment that Kim struggled to accept. Huffman's other two books are Run, Amy, Run and Awesome Andrea that depict the lives of two heroes born with cystic fibrosis, a genetic and lethal disease that attacks the respiratory and digestive systems. The profits from these two books go to the Cystic Fibrosis Foundation for research.
