D Kirk

What Are Spiritual Gifts? Kenneth Berding, Many Christians have tried to discover their spiritual gifts only to find the process frustrating and complicated. Rarely in our search do we actually ask what should be our central question: What are spiritual gifts? Kenneth Berding believes we have misunderstood spiritual gifts, which has led to a misguided search. His convincing and readable study suggests that the Holy Spirit does not give special abilities (the conventional view), but rather calls us and places us into various ministries to build up and strengthen the body of Christ. - Back cover.

The People's New Testament Commentary M. Eugene Boring, Fred B. Craddock, 2010-01-25 M. Eugene Boring and Fred B. Craddock present this new one-volume commentary on the New Testament. Writing from the fundamental conviction that the New Testament is the people's book, Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship. Their work clarifies matters of history, culture, geography, literature, and translation, enabling people to listen more carefully to the text. This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible.

The Four Gospels Catherine Upchurch, Ronald D. Witherup, Little Rock Scripture Study, Mary Elsbernd, 2009

Indispensable for all who long to know Jesus better, *The Four Gospels* provides a complete reference to the gospels; features an engaging layout, providing information where you need it; includes charts, maps, and photographs; is a source for personal meditation; is great for group Bible study too; is solidly Catholic in approach; comes from the producers of the long-standing Little Rock Scripture Study program.

The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church Michael J. Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths, untangle

misunderstandings, and get a deeper understanding of this balanced and biblically-sound end times framework. Many today with an interest in the end times face a problem—they have forgotten the past. Knowing the history of eschatology is key to understanding its importance, how we interpret our faith, and our outlook on God and humanity. So why do so many overlook it and what can we do to correct this? *The Fathers on the Future* uses a thorough exegetical and theological analysis to defend the foundation and structure of the second-century premillennial, futurist eschatology of Irenaeus of Lyons, and other church fathers. It makes a case for a contemporary Irenaeian premillennial eschatology, arguing that it is a reliable framework for a biblically defensible, theologically balanced, and historically informed eschatology. *The Fathers on the Future* includes these key features: Restores historical perspective: Recovers the forgotten roots of early Christian eschatology, emphasizing the teachings of Irenaeus of Lyons and other church fathers. Biblically grounded framework: Offers a well-supported case for a biblically defensible, premillennial eschatology, balancing theology and history. Clarifies and corrects: Clarifies complex aspects of early eschatology, strengthens key theological points, and corrects missteps. Fresh yet ancient approach: Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions. *The Fathers on the Future* begins with the belief that Irenaeus and other early church fathers represented a widespread and well-developed eschatology inherited from those who were close associates of the apostles. It then explores some of features of that early eschatology, clarifying obscure points, strengthening some elements, and correcting a few missteps. By looking back to Irenaeus and the eschatological emphases of his age, this book provides a new approach to eschatology today—new to contemporary readers but ancient in its original perspective.
