

# And The Word Came With Power

Minjie Lin

**And the Word Came with Power** Joanne Shetler, Patricia A. Purvis, 1992

**And the Word Came with Power** Joanne Shetler, Patricia A. Purvis, 2006-12-01 This is the dramatic story of how God set in motion events that knit Joanne [Shetler] and the Balangao people together in a spiritual battle that changed them forever. For centuries the Balangaos had worshiped the capricious and hard-to-please spirits who made relentless demands for sacrifices. They knew the spirits had power... did God have power? - back cover.

**1 and 2 Thessalonians Verse by Verse** Grant R. Osborne, 2018-06-13 When we overlook Paul's letters to the Thessalonians, we miss out. Paul's letters to the church in Thessalonica are often considered two of the less important of his letters, but they were written to a very important city with very important issues. In addition to addressing the issue of Christ's return and the problem of people who refused to work, these letters model a truly loving relationship between a pastor and a congregation. In 1 & 2 Thessalonians Verse by Verse, respected New Testament scholar Grant R. Osborne

shows us that in a world that centered on the divinity of the emperor and the demands to participate in the worship of the gods, the Thessalonians desperately needed to be given resources that would help them withstand the pressure to conform. These letters provide us with a thrilling example of affection among believers in extremely hard times and help us see how that affection can make severe trials bearable. The Osborne New Testament Commentaries, by respected professor and author Grant R. Osborne, are for people seeking a straightforward explanation of the text in its context, avoiding either oversimplification or technical complexity. Osborne brings out the riches of the New Testament, making each book accessible for pastors and all who consider themselves students of Scripture.
