Saint Quotes on Love Catholic Meditations Coloring Book Kathryn Marcellino, 2017-07-20 This is a Catholic coloring book for adults, teens, and older children. The simpler design of many of the illustrations and the short saint quotes make it easy for kids, busy people, and senior citizens to color. The book also makes a unique gift for grandparents and the elderly and can be used as a quiet activity for the sick, disabled, and those in nursing homes or assisted living as well. There are 30 full-page illustrations including religious art, floral designs, and other patterns to color. There are also 22 note cards to color, cut out, and give away. One way to use this book is to reflect on the inspirational quotes from saints and the Bible while coloring inspirational art. The quotes by saints and from Sacred Scripture help set the mood for reflection and meditation on Jesus Christ and his teachings regarding the importance of love. Meditating on the quotations and coloring the pages helps lift the mind to heavenly things. Additional information for each featured quote is provided on the preceding page.

Social Ethics in the Making Gary Dorrien, 2011-04-06 In the early 1880s, proponents of what came to be called “the social gospel” founded what is now known as social ethics. This ambitious and magisterial book describes the tradition of social ethics: one that began with the distinctly modern idea that Christianity has a social-ethical mission to transform the structures of society in the direction of social justice. Charts the story of social ethics - the idea that Christianity has a social-ethical mission to transform society - from its roots in the nineteenth century through to the present day Discusses and analyzes how different traditions of social ethics evolved in the realms of the academy, church, and general public Looks at the wide variety of individuals who have been prominent exponents of social ethics from academics and self-styled “public intellectuals” through to pastors and activists Set to become the definitive reference guide to the history and development of social ethics Recipient of a CHOICE Outstanding Academic Title for 2009 award

Their prayers, their songs of faith, and their steadfast perseverance in the face of adversity can still encourage us today. Spend the year with some of the greatest women in Christian history: from Claire of Assisi to Joan of Arc, from Fanny Crosby

to Susannah Wesley, from Catherine Booth to Anne Bradstreet, and many more. This One Year book leaves no historical stone unturned in order to help you discover the amazing spiritual heritage you have in the lives of faith-filled women of the past.

Faith, Love, Hope C. Daniel Crews, 2008 Sixty years before Martin Luther and the Reformation, a Protestant church was born. Faith, Love, Hope tells the thrilling story of that church. Known by various names but most simply the Unity, this church sought to live a true apostolic life of the Holy Scripture through a rich heritage of church organization and discipline, hymns and liturgies, confessions and statements of belief. And yet as a pioneer of the Protestant faith, the Unity was banned and exiled in its Czech homeland, persecuted, and eventually omitted from the Peace of Westphalia, which ended the tragic Thirty Years War. With his usual lively wit and style, C. Daniel Crews, Archivist of the Moravian Church, Southern Province, tells the story of the Unity in Faith, Love, Hope. Crews's studies as a young man at the University of Prague left him with a love for the Ancient Unity and a knowledge of the Czech language that make him uniquely qualified to tell this history.
