**Cyberpunk Elements** Ethan Parker,AI,2025-03-10 Cyberpunk Elements delves into the often-overlooked world of action manga to dissect cyberpunk themes like corporate dominance and social alienation. Exploring how Japanese creators interpret the genre, the book argues that manga provides a unique lens for examining technology's impact on society. It highlights how these visual narratives, filled with dynamic action, reflect and shape our perceptions of technological advancements, often presenting dystopian visions that mirror anxieties about globalization and eroded autonomy. The book begins by tracing cyberpunk's historical and philosophical roots, acknowledging influences like Neuromancer and Blade

Runner. It then examines key themes such as transhumanism and the blurring of reality before analyzing specific manga titles. A unique aspect involves comparing cyberpunk themes across different manga, identifying both common threads and distinctive variations. Ultimately, *Cyberpunk Elements* aims to demonstrate how action manga contributes to the evolution of cyberpunk, offering valuable insights for students and general readers interested in technology, film, television, and media studies. By focusing on action manga, the book sheds light on a largely unexplored area within cyberpunk scholarship, revealing its relevance to contemporary debates about artificial intelligence, surveillance, and social inequality.

*Up Jumps the Devil* Michael Poore,2012-07-03 “The sustained comedy in this hilarious novel is equaled only by its heart, and the myriad ways there are for it to break. I love this book. Michael Poore writes like an angel.” —Daniel Wallace, author of *Big Fish* John Scratch, the Devil himself, is the protagonist in this stunningly imaginative, sharp, funny, and tender novel, as he tricks, teases, and prods America to greatness in the hope of luring his lost love back down to Earth from Heaven. *Up Pops the Devil* is fiction with humor and heart, the kind of hilarious, off-beat, and original reading experience that fans of Chris Moore, Joe Hill, Chuck Palahniuk, and Jim Shepard would sell their souls for—a brilliant blending of the occult and the outrageous starring the anti-hero of anti-heroes, the one and only Prince of Darkness.
