**The Spirit of Hope** Jürgen Moltmann, 2020-01-01 Famous theologian Jürgen Moltmann returns here to the theme that he so powerfully addressed in his groundbreaking work, *Theology of Hope*. In the twenty-first century, he tells us, hope is challenged by ideologies and global trends that would deny hope and even life itself. Terrorist violence, social and economic inequality, and most especially the looming crisis of climate change all contribute to a cultural moment of profound despair. Moltmann reminds us that Christian faith has much to say in response to a despairing world. In the eternal yes of the living God, we affirm the goodness and ongoing purpose of our fragile humanity. Likewise, God's love empowers us to love life and resist a culture of death. The book's two sections equally promote these affirmations, yet in different ways. The first section looks at the challenges to hope in our current world, most especially the environmental crisis. It argues that Christian faith and indeed all the world's religions must orient themselves toward the wholeness of the human family and the physical environment necessary to that wholeness. The second section draws on resources from the early church, the Reformation, and the contemporary theological conversation to undergird efforts to address the deficit of hope he describes in the first section.

**Speed Bumps and Roundabouts: Lessons I've Learned on the Journey** Pip McCracken, 2014-01-31 Why didn't life work out as I planned? My plan was great! I would grow up with a loving family. I would have many friends to make pinky promises with. I would get top grades through school and be popular to boot. I would study for a degree I was passionate about, and I would meet . . . "The One" (sigh) . . . we would get married and have children who looked and behaved like baby angels. Oh, and I'd live happily ever after, of course. Was that too much to ask? I didn't plan for my parents to divorce. I didn't plan to change schools because of bullying. I didn't plan for university to fill me with doubts about whether I was good enough. I didn't plan to be single at 28. I didn't plan to run away to the other side of the world. But look where I've ended up. Life is never the smooth and straightforward journey we expect. Along the way, things slow us down and turn us around. *Speed Bumps and Roundabouts* is a story of those things: Hope. Vulnerability. Apathy. Gratitude. Beauty. Boundaries.

Waiting . . . The journey is worth it, the scenery can be captivating, but we'll never know unless we keep going . . . over the speed bumps and around the roundabouts.

*Love Does Not Control* Thomas Jay Oord, John Loppnow, Annie DeRolf, Christy Gunter, Lon Marshall, 2023-04-03 That love does not control seems obvious to many people. And yet the temptation to control—often with good motives — is strong. The long-term results of yielding to this temptation damage everyone. Contributors to *Love Does Not Control* explore uncontrolling love and a vision of God as uncontrolling. They do so from their perspectives as therapists, psychologists, and counselors. Writers ponder what uncontrolling love might mean for human healing. Open and relational theology operates as the underlying framework for most contributors. That theology fits nicely with the belief that love is uncontrolling. Open and relational theology rethinks divine power in light of love and postulates what it might mean for creatures to imitate their Creator's uncontrolling love. The essays in *Love Does Not Control* are diverse. Readers may discover some differences of opinion as they move from essay to essay. But contributors share in common the quest to explore what uncontrolling love means for issues in counseling, psychology, and/or therapy. These essays have a power that goes beyond mere theoretical reflection. The ideas in these pages have the capacity to transform our living. And even reading *Love Does Not Control* has the potential to become an exercise in uncontrolling love!

Cross Cultural Competence Simon L. Dolan, Kristine Marin Kawamura, 2015-04-14 This book serves as a comprehensive, practical, and workshop-based program that facilitates change agents to help organizations and people develop cross cultural skills and global competence. It is grounded in the most rigorous and relevant theories, research, and learning methods and makes them easily accessible and fun to apply.

*Big Shoes to Fill* Gavin Adams, 2024-01-16 How to step into an inherited leadership role and guide your team through a polished transition process. Starting something from the ground up is challenging. But how about transitioning into the leadership role of an existing organization? No matter how qualified you are, it can feel like an impossible juggling act to manage expectations without creating unnecessary conflict. Or to build trust and learn from others while implementing changes. And yet most leaders step into roles they didn't create. You have to navigate special personal, professional, and organizational needs that take into account the entire team and requires a certain mindset that doesn't come naturally to many leaders. Gavin Adams has spent his professional life innovating solutions and implementing strategies for leaders of businesses and ministries. Whether you're a first-time manager, a CEO, or a church pastor, *Big Shoes to Fill* will help you more confidently step into a new role and effectively lead your inherited team through that tricky transitional process. You'll learn how to: Reduce the time it takes for you to transition from positional authority to relational influence. Understand the tensions and problems associated with stepping into new leadership spaces. Create a learning environment focused on teams that expedites trust. Guide everyone through the emotional demands of change

Ovily Pumpkin Cudalina Anna,2014-06-05 Description: While in school, Ovily Pumpkin was labeled as a misfit, and through no fault of his own, was bullied by the other children; causing Ovily to choose to become a loner. Yet Ovily Pumpkin is found to be no ordinary boy, in a variety of ways he is unique. He has the ability to view both bullies, and bullying, from a higher perspective. He discovered uncommon and successful coping mechanisms for most of life's challenges. He recognizes that we can't control the experiences that cross our path, or the people who create these experiences, but he came to realize that it was Ovily's reaction to life's experiences that mattered most in the scheme of things; in addition to finding the beauty that 'alone time' can gift us with. Ovily always looked for the good in life, and always found it; and shares these discoveries with the reader. His attitude and perspective on both the ordinary and the extraordinary are always birthed through inspirational perspectives, and provoke 'food' for new thought. His life becomes filled with adventure, in which he discovers that he has the unusual ability to communicate with nature, and that nature speaks back; and has much to communicate, to share, and to teach we humans, and Ovily shares these occurrences with us.
