

Girls Next Door

Mary Mapes Dodge

The Girls Next Door Lindsay Van Gelder,Pamela Robin Brandt,1997-10-03 Two journalists draw on more than one hundred interviews with women around the U.S. to examine the manners, mores, institutions, attitudes, beliefs, and lifestyles of lesbians throughout the country.

The Girls Next Door Paul Ruditis,2008-12-16 Step inside the Playboy Mansion, where the sexy stars of E!'s hit reality show The Girls Next Door are giving readers full access to the action you don't see on TV.... Hugh Hefner's girlfriends -- Holly Madison, Bridget Marquardt, and Kendra Wilkinson -- have become superstars in their own right, thanks to their hit reality show on E!, in which all three gorgeous ladies share their glamorous lives with the cameras. But what crazy antics and juicy details didn't make the cut? This exclusive, behind-the-scenes companion to the show features never-before-seen photos, all new commentary, and three unique perspectives on life in the Playboy Mansion. Want to look, act, or throw a party just like a Girl Next Door? Let Holly, Bridget, and Kendra show you how. In addition to sharing the secrets of their sexy style, the Girls talk candidly about their childhoods, their daily lives (including Hef's famous bashes), and their relationships with the ultimate Playboy himself...not to mention each other. In episode guides to all four seasons, the Girls share their take on what really happened each week, while interviews with the Mansion's memorable staff members reveal how they see the Girls and themselves. And Hef himself shares new insights and fond memories about his life with the Girls. Being blonde and beautiful in the most famous bachelor pad in the world isn't as easy as it looks, but Holly, Bridget, and Kendra are having the time of their lives. Sharing stories from their favorite travel destinations, recipes from the Playboy kitchen, treasured photos, and much more, this insider's guide is a unique look at life with The Girls Next Door.

The Girls Next Door Anita Waller,2024-04-25 They were destined to be best friends. The four girls - all born that same hot summer. There was even a newspaper article after they were born. They said there must be something in the water on Larkspur Close. They predicted a safe and happy life for them all... More than thirty years later, it's more than an unbreakable friendship - it's more like a sisterhood. It's the girls who Jess reaches out to because she's worried about her grandparents who've raised her since her mother disappeared, who Erin tells about her new business idea, who Melissa calls to say she's desperate to escape her toxic job. But then Chantelle messages saying she's discovered her husband is having an affair. And everything changes. Because then her husband is found dead... And only a few people knew about his secret. Is it

just a terrible accident? Or will someone stop at nothing to keep the girls of Larkspur Close safe and happy?

Girl Culture Claudia Mitchell, Jacqueline Reid-Walsh, 2007-12-30 Never before has so much popular culture been produced about what it means to be a girl in today's society. From the first appearance of Nancy Drew in 1930, to Seventeen magazine in 1944 to the emergence of Bratz dolls in 2001, girl culture has been increasingly linked to popular culture and an escalating of commodities directed towards girls of all ages. Editors Claudia A. Mitchell and Jacqueline Reid-Walsh investigate the increasingly complex relationships, struggles, obsessions, and idols of American tween and teen girls who are growing up faster today than ever before. From pre-school to high school and beyond, Girl Culture tackles numerous hot-button issues, including the recent barrage of advertising geared toward very young girls emphasizing sexuality and extreme thinness. Nothing is off-limits: body image, peer pressure, cliques, gangs, and plastic surgery are among the over 250 in-depth entries highlighted. Comprehensive in its coverage of the twenty and twenty-first century trendsetters, fashion, literature, film, in-group rituals and hot-button issues that shape—and are shaped by—girl culture, this two-volume resource offers a wealth of information to help students, educators, and interested readers better understand the ongoing interplay between girls and mainstream culture.

1960s Model Girl Felice McDowell, 2025-06-26 Examining histories of post-war Britain, fashion, modelling, photography and popular culture, 1960s Model Girl: Narrative Identities in Fashion, Time and History explores model girl narratives found throughout media, fashion magazines, advice literature, auto/biographies and fashion exhibits. Introducing theories of history, life-writing and narrative identity, 1960s Model Girl demonstrates how these can be applied to the study of fashion and shows how fashion studies opens new pathways to understanding identity and emergent British femininities. Drawing on a wealth of archival research, case studies include teen fashion magazines Petticoat and Model Girl; advice writing of model agent Lucie Clayton and fashion journalist Suzy Menkes; autobiographies of fashion models Jean Shrimpton and Twiggy; and the Mary Quant exhibition, Victoria and Albert Museum, London (2019-2020). This book provides an intricate study of a varied and manifold figure whose impact and influence spreads further afield than a particular time, place and professional context. Closely attending to a range of model girl narratives, 1960s Model Girl illuminates the cultural past and, in turn, sheds light on our own historical present.
